

PROPER PLACEMENT OF PERMIT REQUIRED

Special Parking Zone – Restricted 3:00 AM to 3:00 PM Monday-Friday

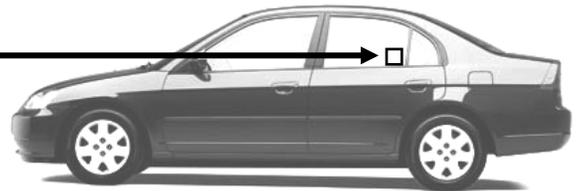

Special parking zone permits are placed on the inside driver's window of the vehicle. See diagrams below for placement according to vehicle type.

Temporary paper permits are to be taped on each corner and placed on the inside window in the proper location.

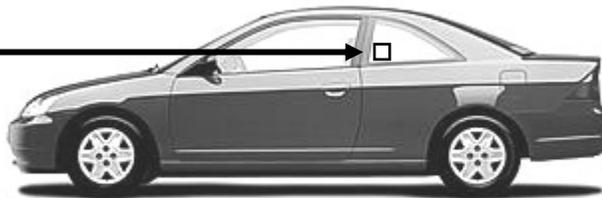

Permanent sticker permits are affixed by removing the paper backing and placing the sticker on the inside window in the proper location. Taped permits will not be valid.

If you have any questions please contact the Finance Department at 384-2346.

4-door car:
Lower corner of
driver's side rear
door window.

2-door car:
