Warrant Service

609.1 PURPOSE AND SCOPE
This policy establishes guidelines for the planning and serving of arrest and search warrants by members of this department. It is understood that this policy cannot address every variable or circumstance that can arise in the service of a search or arrest warrant, as these tasks can involve rapidly evolving and unique circumstances.

This policy is intended to be used in conjunction with the Operations Planning and Deconfliction Policy, which has additional guidance on planning and serving high-risk warrants.

This policy is not intended to address the service of search warrants on locations or property already secured, on objects or containers already within police custody, or routine field warrant arrests by patrol officers.

609.2 POLICY
It is the policy of the Urbana Police Department to balance the safety needs of the public, the safety of department members, privacy interests and other relevant factors when making decisions related to the service of search and arrest warrants.

609.3 OPERATIONS DIRECTOR

The operations director will also have the responsibility to coordinate service of those warrants that are categorized as high risk. The term high risk is defined in the Operations, Planning and Deconfliction policy. Deconfliction, risk assessment, operational planning, briefing and debriefing should follow guidelines in the Operations, Planning, and Deconfliction Policy.

609.4 SEARCH WARRANTS

Officers should typically receive authorization from a supervisor before preparing a search warrant application. Once authorization is received, the officer will prepare the affidavit and search warrant, consulting with the applicable prosecuting attorney as needed.

609.5 ARREST WARRANTS
If the warrant is classified as high risk, service will be coordinated by the operations director. If the warrant is not classified as high risk, the supervisor should weigh the risk of entry into a residence to make an arrest against other alternatives, such as arresting the person outside the residence where circumstances may pose a lower risk.

### 609.6 WARRANT PREPARATION
An officer who prepares a warrant should comply with all applicable state and federal laws and procedures, to include procedures that have been established locally.

### 609.7 HIGH-RISK WARRANT SERVICE
The operations director or the authorized designee shall coordinate the service of warrants that are categorized as high risk and shall have sole authority in determining the manner in which the warrant will be served, including the number of officers deployed.

### 609.8 DETENTIONS DURING WARRANT SERVICE
Officers must be sensitive to the safety risks of all persons involved with the service of a warrant. Depending on circumstances and facts present, it may be appropriate to control movements of any or all persons present at a warrant service, including those who may not be the subject of a warrant or suspected in the case. However, officers must be mindful that only reasonable force may be used and weapons should be displayed no longer than the officer reasonably believes is necessary (see the Use of Force Policy).

As soon as it can be determined that an individual is not subject to the scope of a warrant and that no further reasonable suspicion or safety concerns exist to justify further detention, the person should be promptly released.

Officers should, when and to the extent reasonable, accommodate the privacy and personal needs of people who have been detained.

### 609.9 ACTIONS AFTER WARRANT SERVICE
The supervisor shall ensure that all affidavits, warrants, receipts and returns, regardless of any associated cases, are filed with the issuing judge or magistrate as soon as reasonably possible, but in any event no later than any date specified on the warrant.

### 609.10 OUTSIDE AGENCIES AND CROSS-JURISDICTIONAL WARRANTS
The operations director will ensure that cooperative efforts with other agencies in the service of warrants conform to existing mutual aid agreements or other memorandums of understanding and will work cooperatively to mitigate risks including, but not limited to, the following:

- Identity of team members
- Roles and responsibilities
- Familiarity with equipment
Warrant Service

• Rules of engagement
• Asset forfeiture procedures

Any outside agency requesting assistance in the service of a warrant within this jurisdiction should be referred to the operations director. The director should review and confirm the warrant, including the warrant location, and should discuss the service with the appropriate supervisor from the other agency. The director should ensure that members of the Urbana Police Department are utilized appropriately. Any concerns regarding the requested use of Urbana Police Department members should be brought to the attention of the Chief of Police or the authorized designee. The actual service of the warrant will remain the responsibility of the agency requesting assistance.

If the operations director is unavailable, the Shift Supervisor should assume this role.

If officers intend to serve a warrant outside Urbana Police Department jurisdiction, the operations director or other supervisor should provide reasonable advance notice to the applicable agency, request assistance as needed and work cooperatively on operational planning and the mitigation of risks detailed in this policy.

Officers will remain subject to the policies of the Urbana Police Department when assisting outside agencies or serving a warrant outside Urbana Police Department jurisdiction.

609.11 MEDIA ACCESS
No advance information regarding warrant service operations shall be released without the approval of the Chief of Police. Any media inquiries or press release after the fact shall be handled in accordance with the Media Relations Policy.
