# America Recycles Day

## Nov 19, 11am-3pm

- Explore repurposed creations made by local artists and make your own.
- Play games, meet community recycling representatives, and take home free goodies.
- **Small electronics need repair?** The Gadget Garage will be on-hand! Work together with their volunteers to troubleshoot, diagnose, or repair your electronics at this collaborative pop-up. Fill out the Diagnostic Form in advance to secure your session during America Recycles Day: [tinyurl.com/h5y4kcx](https://tinyurl.com/h5y4kcx). Visit [wp.istc.illinois.edu/ilgadgetgarage/](http://wp.istc.illinois.edu/ilgadgetgarage/) for more information.
- The following items will be accepted for recycling at the event: ink jet cartridges, cell phones and household batteries.
- Make your own creation from reused materials before the event, and enter to win the Creative Reuse Competition. Call 217-384-4062 for more information.
