Re: Appointment of Alex Bautista as Interim Human Resources Manager

Dear Diane, Mike, Dennis, Bill, Aaron, Eric and Charlie,

Alex Bautista, our multi-talented Human Relations Manager, is my choice for Interim Human Resources Manager, to replace Todd Rent, effective December 14, 2016. His resume is attached. Please note that this will not be the first time Alex has succeeded Todd in a job—it will be the fourth(!): twice at Carle Hospital and now twice at the City of Urbana.

Todd Rent, who has done an excellent job as Human Resources Manager, has accepted a job with UCLA Health as Employee Relations Manager. The UCLA hospital has 18,000 employees, and I am sure they had many qualified applicants to choose from. Although we are sorry to lose Todd, we are happy that he has been chosen by such a large and prestigious organization.

Sincerely,

Laurel Lunt Prussing
