

HELPFUL HINTS

Always carry change for parking meters when driving to campus and downtown. Urbana meters accept coins (nickel, dime, quarter) and CashKeys. The meters will not accept dollar coins. Check street signs and look at information stickers on each meter for specific parking instructions.

Purchase a CashKey by visiting one of the three parking entities in the campus district. The CashKey is a programmable key that provides a cashless way to pay parking meters. Call (217) 384-2346 for more information.

Use the Mass Transit District to avoid campus area parking hassles. Students have unlimited MTD bus service simply by using their University identification card. For more information about MTD call (217) 384-8188.

Students and visitors to the campus area can also take advantage of the University's remote parking lots and shuttle service. For information regarding these services contact University of Illinois Facilities Services, Parking Division at (217) 333-3530 or at www.parking.illinois.edu.

All meters are labeled with the parking authorities logo.

These restrictions inhibit on-street vehicle storage and allow for street cleaning, maintenance and snow removal. Vehicles parked in these areas during restricted hours are subject to tickets and towing.

Other restrictions may apply, so always check the street for signs posted on the block where you plan to park before parking your vehicle. You can also visit us at www.urbanaininois.us/parking to learn more about our Urbana Local Traffic Code.
