INFORMATION RELEASE

DATE: April 14, 2015

DEVELOPED BY: Mr. Craig E. Shonkwiler, Assistant City Engineer

AUTHORIZED BY: Mr. Craig E. Shonkwiler, Assistant City Engineer

RE: Windsor Road Pavement Reconstruction Project
Construction to Resume
Philo Road Closure – North Leg

Weather permitting, work is scheduled to resume on Friday, April 17, 2015 for the reconstruction of Windsor Road from Race Street to Philo Road in Urbana. The work, which began last year, had been suspended for the winter with forty percent of the project complete. The remaining sixty percent of the project is expected to be complete by fall of 2015.

This project includes the replacement of the existing concrete pavement with a new concrete pavement from Race Street to Philo Road. Project information may be found on the city's website at <http://urbanaininois.us>.

The north leg of Philo Road between Windsor Road and Amber Lane will be closed to through traffic starting at 7:00 a.m. on Friday, April 17, 2015 until further notice. Access to Meijer, adjacent businesses, churches, and residences on Philo Road will be available by using Philo Road via Amber Lane via Myra Ridge Drive or by using Boulder Drive via Windsor Road.

The south leg of Philo Road at Windsor Road and the east and west legs of Windsor Road at Philo Road will remain open to traffic.

The project contact person is Mr. Craig Shonkwiler; he can be reached at 217-384-2385 or by email at ceshonkwiler@urbanaininois.us.
