INDEPENDENT AUDITORS' REPORT ON COMPLIANCE

To the Honorable Mayor and Members of the City Council City of Urbana, Illinois

Baker Tilly Virchaw Krause, LP

We have audited the basic financial statements of the City of Urbana, as of and for the year ended June 30, 2018, and have issued our report thereon dated December 19, 2018. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

In connection with our audit, nothing came to our attention that caused us to believe that the City failed to comply with provisions of Subsection (q) of Section 11-74.4-3 of Public Act 85-1142, "An Act in Relation to Tax Increment Financing", insofar as it relates to accounting matters. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the City's noncompliance with the above-referenced statute, insofar as it relates to accounting matters.

This report is intended solely for the information and use of the City Council, management, the State of Illinois, and others within the City and is not intended to be, and should not be, used by anyone other than the specified parties.
