REQUIRED FORMS TO BE COMPLETED AND SUBMITTED WITH PROPOSAL

PRICE QUOTATION SHEET

The minimum number of products required for a complete bid is one (1) compost bin type and one (1) rain barrel type. Additional products may be offered by the Contractor. It is not required to offer a price for both a stationary compost bin and a tumbling compost bin. In the event that two compost bins are offered by a single vendor, the City shall make a bid selection based on the lower priced compost bin.

Having read and agreeing to solicitation #1920-27, I hereby submit the following price per unit for each product, tax included:

ITEM	PRICE PER UNIT
Rain Barrel	
Stationary Compost Bin	
Tumbling Compost Bin
