* On April 12, 2017 I contacted Fred Grosser, the attorney for the Township and asked if the procedure that was held at the Annual Town Meeting legal. He advised that it was okay but since there was no quorum present that no actual business could be handled. I contacted the Township Supervisor, Michelle Mayol, and she advised that she would send a copy of the Financial Report to the Elector and advise her that she has any questions she would be very happy to clarify them for her.
