

APPLICATION FOR LAND DEVELOPMENT

Provided below are brief descriptions for the type of applications that pertain to Subdivision and Land Development in the City of Urbana:

Certificate of Exemption

The Administrative Review Committee (ARC) may determine that the submission of a plat is not required for a minor lot line adjustment. The ARC may issue a Certificate of Exemption in lieu of a plat provided the lot line adjustment meets the following requirements: (1) The lot line adjustment will not result in a change exceeding twenty-five (25) feet of any lot width; (2) The sum of the area(s) transferred from one (1) lot to another may not exceed ten thousand (10,000) square feet; and (3) The lot line adjustment may not change the total number of lots, nor create any nonconforming lots or structures according to the minimum standards of the Zoning Ordinance. See Section 21-240. Certificate of Exemption in Lieu of Plat of the Land Development Code for more detailed information.

Major Development

A Major Development requires preliminary and/or final plats. The Preliminary Plat provides a preliminary layout of the development and necessary public improvements, while the Final Plat is prepared for recording and must meet regulatory criteria. An applicant may submit a combined concurrent preliminary and final plat at the same time for approval.

Minor Development

A Minor Development involves subdividing a parcel of land into five or fewer buildable lots that do not require new public improvements and services except for service connections and sidewalks.

Variance of Subdivision Regulations

A Developer can request a deviation from strict compliance with the Land Development Code or the Manual of Practice, as appropriate, when unusual site-specific conditions exist.

NOTE:

The application fee must accompany the application when submitted for processing. For the current fee, please refer to the most recent version of the City's "Schedule of Fees - Excluding Liquor License Fees", which can be found at <http://www.urbanaininois.us/fees>.

The Applicant is also responsible for paying the cost of **recording fees**. After your application has been approved, staff will calculate the final recording fee and request a check from you made payable to the Champaign County Recorder prior to the document being recorded.

NOTE:

If additional space is needed to complete any field, please mark field "See Attached" and attach the response at the end of this application.

CONVEYANCE OF PROPERTY

proposes to convey from

to

After said conveyance the legal description of the tract shall be as follows:

And the legal description of the tract after conveyance shall be as follows:

Said conveyance is exempt from the requirement to file a subdivision plat thereof in that the division meets the following criteria:

1. The change in any one existing lot or parcel is no more than twenty-five (25) feet wide on any side at any point; and
2. The portion of a lot removed from one (1) parcel or lot and affixed to another does not exceed ten thousand (10,000) square feet; and
3. The total number of lots is not increased from the number of existing prior to the subdivision.

NOTE: An affidavit for Certificate of Exemption must be submitted with this application. The Affidavit must be completed, signed and notarized. Notary Publics are available in the Community Development Services Department during regular business hours to witness any required signatures.

4. Affiant further states that letters approving the proposed subdivision from all utility companies and public entities with roads, sewers, drainage facilities or easements within or adjacent to the proposed subdivision are attached as no such facilities or easements are located within the proposed subdivision.
