Introduction

This memorandum provides funding recommendations to the Urbana City Council for social services agencies that have applied to the Youth Services Grant Program. Staff recommends funding eight agencies to support nine programs in FY 2022-2023. Each program that staff recommends for funding has demonstrated a commitment and ability to serve Urbana youth from low-income families with the goal of having a lasting impact in the community. Recommended funding allocations can be found in Attachment I, and details regarding each program can be found in Attachment II.

Background

The Youth Services Grant utilizes funding from two sources, City of Urbana general funds, and Community Development Block Grant (CDBG) funds. The total funding available in FY 2022-2023 is \$100,000. Through the Youth Services Grant Program, the City of Urbana seeks to fund local agencies that support the health, wellness, and opportunity for Urbana youth from early childhood (Kindergarten, Pre-K) through 22 years of age.

Staff solicited applications by sharing information through the media, as well as countywide social service groups such as the Champaign County Continuum of Service Providers to the Homeless, and the Human Services Council. Staff also posted information regarding the program and application process to the City's website and social media accounts.

Applications opened on March 7, 2022, and closed on April 8, 2022. Staff held a technical assistance session on March 11, 2022 to provide additional information to potential applicants and to answer questions about the program. The presentation materials as well as an FAQ document were available to grantees on the City's website.

City staff received applications from nine agencies to fund 11 programs. On April 19, 2022, staff convened a committee to review and score the applications. The Committee consisted of Councilmember Maryalice Wu, Community Engagement Coordinator Lemond Peppers, Sheila Dodd, and Breaden Belcher.

Methodology

The Committee utilized a scoring tool to evaluate applications and determine funding allocations. Staff provided this tool to applicants beforehand. The narrative section of the application guided the Committee in determining an agency's fitness to use the funds and serve an unmet need for extremely low to low-income Urbana residents.

Due to funding availability, the City cannot fund every program at 100% of the original request. The Committee based funding recommendations on how closely the applicant's proposal met at least one of the applicable Council Goals and Priorities and/or key service areas as expressed in the Youth Services Grant Guiding Principles. The Committee also prioritized a program's ability to fill existing gaps in services to extremely low and low-income persons when determining funding allocations. Additional considerations included the number of residents served by a program, as well as the anticipated long-term impact of the program.

Because the overall objective of the Youth Services Grant is to provide long-term support to extremely low- and low-income residents, the Committee analyzed an agency's capacity by considering the following:

- Sound financial health as determined through agency audit/financial statements;
- Ability to support the program beyond this coming fiscal year.
- Capability to increase service to Urbana residents with additional funding.
- Capacity to execute the grant project

The Committee does not recommend funding two programs in the FY 2022-2023 cycle. Either the programs did not fill existing gaps, increase services to Urbana residents, provide the required financial documentation, or failed to demonstrate the ability to manage grants.

Options

1. Forward the proposed funding allocations for nine programs to the Consent Agenda with a recommendation for approval.
2. Forward the proposed funding allocations, with changes, to the Consent Agenda with a recommendation for approval.
3. Do not recommend approval of the proposed funding allocations.

Fiscal Impacts

Funds for this program have previously been set aside and approved by Council. A total of \$100,000 from two funding sources will support this year's program. General funds will provide \$75,000, and CDBG funds will provide \$25,000. There will be no additional fiscal impacts on the City.

Recommendation

The Youth Services Grant Committee and the Urbana Community Development Commission recommend the Urbana City Council approve the proposed Youth Services Grant funding allocations to support eight agencies and nine programs in the amounts provided in the attached Recommendations Table.

Program Descriptions

Champaign County Regional Planning Commission – Youth Assessment Center

The Youth Assessment Center (YAC) serves as the primary center for intake, screening, and service connection for Champaign County youth and families. Case managers screen at-risk juveniles and link them and their families with the community's support and restorative services. Law enforcement personnel typically make referrals to the YAC as an alternative to prosecution and to prevent further delinquent activities. The YAC considers station-adjustment charges, police officer or school official recommendations, family input, and restorative justice methods. These include court diversion services to restore the relationship between the juvenile offender, their victim(s), and the community; mediation; and peer court. Restorative justice is a theory of justice that emphasizes repairing the harm caused by criminal behavior. It is best accomplished through cooperative processes that include all stakeholders. This can lead to transformation of people, relationships, and communities. The goal of the YAC is to connect youth with resources that help them to be resilient, resourceful, responsible, and restored to positive community involvement through prompt assessment, treatment/service recommendations, and follow-up.

Housing Authority of Champaign County – YouthBuild

YouthBuild is a community-based alternative education program that provides job training and educational opportunities for at-risk youth ages 16-24. Through partnerships with Penn Foster and Parkland College, the Housing Authority of Champaign County will train youth to become workers in the following areas: General Construction Laborer, Hotel & Restaurant Management, Home Health Aide, and Certified Nursing Assistant. HACC's YouthBuild program focuses on developing occupational skills training for in-demand jobs using the YouthBuild Construction + model. Students can choose to enter the construction, hospitality, or healthcare track and will receive industry-recognized certifications, in-class training, hands-on work experience in the industry setting, and direct entry into apprenticeships, additional training opportunities, or entry-level jobs in these industries. All students, no matter which track they choose, will also receive education to get their high school diploma, support services, and job readiness and leadership training.

STEAM Genius – Hip Hop Xpress

The Hip Hop Xpress program will be conducted from April 2022 through June 2022. The program will consist of 4-5 stops in collaboration with other Urbana-focused organizations such as the Urbana School District and the Urbana Park District. The program will serve limited-resourced youth between the ages of 6-21. Participants will be exposed to applied learning workshops around RC Cars, Drones, Music Production, Computer Technology, and Entrepreneurship.

HV Neighborhood Transformation – Neighborhood Voices

Neighborhood Voices is a three month program in which participants engage in individual and group work around mental health, trauma and gun violence, build their own competence in both avoiding and preventing gun violence in their neighborhoods, and learn how to make and publish videos on the HV Youtube channel, in the process acquiring both technical and journalism skills. (For more on this program, please see sections D and E). A major goal of Neighborhood Voices is for the participants to take their knowledge and empowerment back into their neighborhoods, to spread the positive impacts. Connecting Neighborhood Voices with "40 Days" will help reach this goal and will provide a positive boost for both programs. The "40 Days" are a series of one-week events in the summer, each one in a particular neighborhood. During the week, different sessions are offered each day on subjects related to gun violence, and the sessions are combined with a volunteer neighborhood clean up and activities, especially for children. Sessions including "Trauma", "Wellness" and "Community Beautification" run Monday-Friday. Neighborhood Voices teens will

participate in the “40 Days” in a variety of ways that take advantage of their new skills and also bring “Neighborhood Voices” back into the community. Some of their time will be spent making video recordings of the event; other time will be spent as participants in the daily sessions, providing staffing and chaperones for the younger children, and participating in the neighborhood cleanups. By participating in the full 40 Days they will be exposed to a variety of neighborhoods and many new people.

East Central Illinois Refugee Mutual Assistance Center (Refugee Center) – Newcomer Immigrant Student Support

The Newcomer Immigrant Student Support program offers tutoring, acculturation, and socialization for school aged children K-12. Children are transported via private bus to St. Matthew Lutheran Church in Urbana for three hours of one on one time with a volunteer from the Alpha Phi Omega service fraternity at the University of Illinois. Students work on a project, bring homework, have a nutritious snack, and learn about life in their new hometown. In addition, bilingual counselors serve these students outside this program as liaisons to the schools. They translate and mediate at school registration, parent-teacher conferences and screenings for learning disabilities. The Refugee Center also serve newly arrived Afghan clients by providing their children with the support they need in ESL, as well as acculturation, socialization and mental health care support.

Urbana Neighborhood Connection Center – Community Study Center

This program serves 75-90 students. The after-school homework and tutorial sessions are offered Monday through Friday from 3:00 – 6:00 pm for children in grades K-12 where staff assist children with academic enrichment activities assigned by their classroom teacher or by UNCC’s Activity Leaders. Upon completion of academics, youth may participate in recreational activities, arts and crafts, dance groups, social responsibility groups, movies, or digital learning activities. School Out Days (for example district staff development, teacher institutes, and parent-teacher conference days) are held from 7:30 am to 6:00 pm. During the summer break, UNCC conducts an eight-week Summer Enrichment Camp (7:30 am – 6:00 pm Monday through Friday) during which times youth are provided small group academic enrichment sessions focused on reading, writing and math along with social/emotional developments and digital literacy, as well as afternoon recreational and leisure activities designed for youth in grades K-12.

Urbana Neighborhood Connection Center – Urbana Youth Development Program

Urbana Youth Development Program (UYDP) operates as a comprehensive college and career readiness initiative mainly targeting in-school youth who are currently pursuing a high school diploma and need assistance in seeking entry into college and/or the workforce. Designed as a seamless one-stop youth development and transition program, UYDP continues to target youth in need of academic, social-emotional, and financial assistance preparation for success beyond high school.

Urbana Park District – SPLASH Afterschool Program

The Urbana Park District operates the SPLASH Afterschool Program in partnership with the Urbana School District. This program provides free afterschool activities, crafts, and projects by employed SPLASH staff who facilitate these activities. This program is aimed at students who come from families that may not be able to afford the paid for afterschool program operated by the Urbana School District.

The Well Experience – Family Care Program

The Urbana Youth Services Grant will enhance year-round education and systems of care for families with children aged birth to 22 years. The programming is focused on four main areas:

educational support and enrichment for school-age children, which includes case management for Well Teen Moms; parent and youth mentoring and family engagement; counseling, wraparound Support and case management for families in a crisis or in need of support; and economic support and workforce development skills for youth and young adults. Programs serve families who have been historically marginalized by traditional systems of support. The program includes after-school and extended school programming with full-day programming during the summer months. The Well Kids Learning Hub also serves the children of parenting teens and pre-K children who participate in learning programs through home visiting and on-site programs.

CITY OF URBANA COMMUNITY DEVELOPMENT BLOCK GRANT AGREEMENT

Subrecipient Name	<u>Urbana Neighborhood Connections Center</u>
Project Name:	<u>Community Study Center</u>
Project No.	<u>2223-Youth-02</u>
Project Address:	<u>1401 E. Main St. Urbana, IL 61802</u>
CFDA No.	<u>14.218</u>

This Community Development Block Grant (“CDBG”) agreement is made between the City of Urbana, an Illinois municipal corporation (the “City”), and the above-named subrecipient, an Illinois not-for-profit agency (the “Subrecipient”), each a “party” and together the “parties,” and is effective on the last date signed by a party hereto.

Background

The purpose of this agreement is to pledge FY 2022-2023 CDBG Program grant funds to the following project (the “Project”): Community Study Center.

The City has been designated as an entitlement community by the U. S. Department of Housing and Urban Development (“HUD”) under the Housing and Community Development Act of 1974, as amended (the “Housing Act”). As an entitlement community, the City will receive CDBG Program grant funds for the period beginning July 1, 2022 and ending June 30, 2023. The Urbana City Council has adopted an annual action plan for the same period. The Annual Action Plan allocates a CDBG budget and authorizes establishment of public service/public facilities and improvement activities to be sponsored by non-profit agencies in the general Urbana area. The City has the right and authority under the CDBG Program to allocate a portion of its grant funds to the Subrecipient for purposes of administering such activities. As a condition of its assistance to the Subrecipient, the City requires the Subrecipient to file with the City Attachment A (Equal Employment Opportunity Certification), Attachment B (Assurances), and Attachment C (Statement of Special Conditions), all of which are incorporated by this reference. Therefore, the parties agree as follows:

- 1. Grant award.** If and to the extent the City receives CDBG Program grant funds, the City hereby grants to the Subrecipient and the Subrecipient hereby accepts up to \$17,000 in CDBG Program grant funds for use in carrying out the Project subject to the terms of this agreement. This agreement neither obligates nor precludes the City from accepting or distributing other funds over which it may have control, nor does this agreement restrict or limit the powers of the City to use such funds pursuant to the provisions of the Housing Act. This agreement neither obligates nor precludes the Subrecipient from further accepting funds or assistance from any other source pursuant to the Housing Act. To the greatest extent feasible, the Subrecipient shall make all expenditures for the Project to Champaign County based firms and individuals.
- 2. Eligible Costs.** The Grantee shall use funds only to provide services to Urbana residents. Eligible costs include staff labor, program specific supplies, facility lease, or other program-related soft costs as allowable under HUD regulations found at 24 CFR 570.201(e).

3. Ineligible Costs. The Grantee shall not use funds to provide income payments to program participants, support political activities, or to pay for equipment, furniture, vehicles, payroll tax, mortgage payments, construction labor or supplies, or any other costs disallowed under HUD regulations found at 24 CFR 570.207.

4. Disbursement. The funding year will commence on July 1, 2022 and end on June 30, 2023. If and to the extent the City receives CDBG Program grant funds, the City shall reimburse the Subrecipient for eligible costs related to the Project. Funding in the full amount of this agreement is contingent upon the City receiving sufficient CDBG Program grant funds. If the grant funds are discontinued or reduced for any reason, the City's payments to the Subrecipient may cease or be reduced without advance notice to the Subrecipient, and the City will not be liable for any damages as a result of such discontinuance or reduction of grant funds. The Subrecipient shall not request disbursement of grant funds pursuant to this agreement until it requires such grant funds to pay eligible costs that it has expended for the Project.

5. Recordkeeping; inspection. The Subrecipient shall maintain detailed financial records that show the eligible costs of administering the Project. All financial records and payments under this agreement must comply with federal regulations.

- A. The City and HUD may conduct on-site reviews, examine the Subrecipient's personnel records, and conduct any other procedures and practices to audit and assure compliance with this agreement and applicable HUD regulations. The Subrecipient shall allow all audits of its records as may be required and permit inspection of Project records by representatives of the City and HUD during the Subrecipient's normal business hours.
- B. The Subrecipient shall retain all records pertinent to expenditures incurred under this agreement for five years after termination of all activities funded under this agreement.
- C. The Subrecipient shall maintain client data demonstrating client eligibility for services provided. Such data must include, without limitation, client name, address, income level or other basis for determining eligibility, and description of service provided. The Subrecipient shall maintain all client information collected pursuant to this agreement in a secure and confidential manner. The use or disclosure of such information, when not directly connected with administration of the Project, is prohibited unless prior written consent is obtained from the person receiving service, or in the case of a minor, the responsible parent or guardian.

6. Reporting. The Subrecipient shall submit a Youth Grant Reporting Form and supporting expenditure documentation along with each request for reimbursement. The reporting form is included in Attachment C. Nothing herein will be deemed, construed, or interpreted as prohibiting the City from requesting and the Subrecipient from providing the Reporting Form on a more frequent basis than as specified on Attachment C or when requested.

7. Conflicts of interest. The following conflict of interest provisions apply to the Subrecipient's use of CDBG Program grant funds for the procurement of supplies, equipment, or construction or other services:

- A. No individual who exercises or has exercised any functions or responsibilities with respect to activities under this agreement, or who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in or benefit from a CDBG-assisted activity, either for himself or herself or anyone with whom he or she may have business or family ties, during their tenure or for one year thereafter.
- B. This conflict of interest provision will apply to any individual who is an employee, agent, consultant, officer, or elected or appointed official of the Subrecipient or the City.
- C. Upon written request, exceptions to this conflict of interest provision may be granted jointly by the City and HUD on a case-by-case basis, but only after the Subrecipient has disclosed the full nature of the conflict, submitted proof that the disclosure has been made public, and provided a legal opinion that there would be no violation of state or local law if the exception were granted. The City's determination regarding a conflict of interest is not binding upon HUD.

8. Term. This agreement will remain in effect until June 30, 2023, inclusive, unless the parties terminate it sooner as provided in this agreement. The Subrecipient's obligation to make full and final payment of all amounts due under this agreement will survive the termination of this agreement until fulfilled.

9. Representations. The Subrecipient makes the following representations to the City:

- A. The Project will begin on July 1, 2022 and terminate no later than June 30, 2023, unless the parties otherwise agree in writing.
- B. The Subrecipient is qualified and has the requisite expertise and experience to administer the Project and is willing to use the grant funds for such purpose.
- C. The Subrecipient will administer the Project in a competent, professional, and satisfactory manner.

10. Default.

- A. Any breach of a representation or other provision of this agreement will constitute a default. A default by the Subrecipient also will consist of the use of grant funds for a purpose other than as authorized in this agreement or a failure to maintain detailed financial records concerning the use of grant funds.

- B. A party claiming a default shall give written notice of such default to the defaulting party, which notice will describe the nature of the default and the section of this agreement that the non-defaulting party believes was breached. The defaulting party will have 14 calendar days commencing on the date notice was given to cure or remedy the default. If the Subrecipient is the defaulting party, it will have 14 calendar days commencing on the date notice was given to (i) fully cure the default; (ii) submit a plan of correction that specifically describes the means and reasonable timeframe by which the default will be corrected; or (iii) provide evidence as to why the Subrecipient believes it is not in default. If the Subrecipient presents a plan for correcting the default, the City, within its reasonable discretion, may accept, reject, or provide an alternative plan of correction. The City's decision will be final. If the Subrecipient fails to correct the default as provided in this section, the Subrecipient will be deemed in breach of the agreement.
- C. If the City is the defaulting party and fails to cure or remedy the default as provided in this section, the Subrecipient may exercise any right, power, or remedy granted to it pursuant to this agreement or applicable law.
- D. If the Subrecipient is the defaulting party and fails to cure or remedy the default as provided in this section, the City may take one or more of the following actions:
- (1) Direct the Subrecipient to submit progress schedules for completing approved activities;
 - (2) Direct the Subrecipient to establish and maintain a management plan that assigns responsibilities for carrying out remedial actions;
 - (3) Direct the Subrecipient to suspend, discontinue, or not incur costs for the affected activity;
 - (4) Reduce or recapture the grant authorized in this agreement;
 - (5) Direct the Subrecipient to reimburse the City for costs inappropriately charged to the City; or
 - (6) Other appropriate action including, but not limited to, any remedial action legally available.

11. Indemnification. The Subrecipient shall indemnify and defend the City, its officers, employees, and agents against all claims, liability, or damage, including without limitation reasonable attorney's fees and costs, arising from or in any way related to the Subrecipient's activities under this agreement, except to the extent caused by the gross negligence or willful misconduct of the City, its officers, employees, or agents. This section will survive the termination of this agreement.

12. Independent contractors. The parties are independent contractors with respect to each other, and nothing in this agreement creates any association, partnership, joint venture, or agency relationship between them.

13. Third party beneficiaries. This agreement does not and is not intended to confer any enforceable rights or remedies upon any person other than the parties.

14. Assignment. The Subrecipient shall not assign, convey, or otherwise transfer any of its rights, duties, or obligations under this agreement to another person or entity without the express written consent of the City and authorization of HUD. In the event the Subrecipient seeks to assign, convey, or otherwise transfer any of its rights, duties, or obligations under this agreement, the Subrecipient shall demonstrate that it will use an open, impartial, and competitive selection process in making any such assignment, conveyance, or transfer of its rights, duties, or obligations.

15. Entire agreement; amendments in writing. This agreement constitutes the entire agreement between the parties, supersedes all other agreements or understandings between them pertaining to the matter of this agreement, and may not be amended except by a writing signed by both parties.

16. Dispute resolution; governing law. In the event of a dispute between the parties, the parties, before filing any court action, jointly shall select a mediator and shall make a good faith effort in such mediation to resolve their differences. The parties shall share equally in the cost of such mediation service. In the event mediation fails to resolve the dispute between the parties, either party may file and maintain an action in the Circuit Court for the Sixth Judicial Circuit, Champaign, Illinois. Illinois law will govern all actions to enforce, construe, or interpret this agreement.

17. Notices. The parties shall give all notices required or permitted by this agreement in writing. All notices will be deemed given when personally delivered; deposited in the U.S. mail, postage prepaid, first class; or delivered to a commercial courier service (e.g., FedEx or UPS). A notice delivered by email will be deemed given when the recipient acknowledges having received the email by an email sent to the sender's email address, as stated in this section, or by a notice delivered by another method in accordance with this section. An automatic "read receipt" will not constitute acknowledgment of an email for purposes of this section. Each party's address is stated below and may be changed to such other address as the party may hereafter designate by notice.

The purpose of this agreement is to pledge FY 2022-2023 CDBG Program grant funds to the following project (the “Project”): Urbana Youth Development.

The City has been designated as an entitlement community by the U. S. Department of Housing and Urban Development (“HUD”) under the Housing and Community Development Act of 1974, as amended (the “Housing Act”). As an entitlement community, the City will receive CDBG Program grant funds for the period beginning July 1, 2022 and ending June 30, 2023. The Urbana City Council has adopted an annual action plan for the same period. The Annual Action Plan allocates a CDBG budget and authorizes establishment of public service/public facilities and improvement activities to be sponsored by non-profit agencies in the general Urbana area. The City has the right and authority under the CDBG Program to allocate a portion of its grant funds to the Subrecipient for purposes of administering such activities. As a condition of its assistance to the Subrecipient, the City requires the Subrecipient to file with the City Attachment A (Equal Employment Opportunity Certification), Attachment B (Assurances), and Attachment C (Statement of Special Conditions), all of which are incorporated by this reference. Therefore, the parties agree as follows:

1. Grant award. If and to the extent the City receives CDBG Program grant funds, the City hereby grants to the Subrecipient and the Subrecipient hereby accepts up to \$10,000 in CDBG Program grant funds for use in carrying out the Project subject to the terms of this agreement. This agreement neither obligates nor precludes the City from accepting or distributing other funds over which it may have control, nor does this agreement restrict or limit the powers of the City to use such funds pursuant to the provisions of the Housing Act. This agreement neither obligates nor precludes the Subrecipient from further accepting funds or assistance from any other source pursuant to the Housing Act. To the greatest extent feasible, the Subrecipient shall make all expenditures for the Project to Champaign County based firms and individuals.

2. Eligible Costs. The Grantee shall use funds only to provide services to Urbana residents. Eligible costs include staff labor, program specific supplies, facility lease, or other program-related soft costs as allowable under HUD regulations found at 24 CFR 570.201(e).

3. Ineligible Costs. The Grantee shall not use funds to provide income payments to program participants, support political activities, or to pay for equipment, furniture, vehicles, payroll tax, mortgage payments, construction labor or supplies, or any other costs disallowed under HUD regulations found at 24 CFR 570.207.

4. Disbursement. The funding year will commence on July 1, 2022 and end on June 30, 2023. If and to the extent the City receives CDBG Program grant funds, the City shall reimburse the Subrecipient for eligible costs related to the Project. Funding in the full amount of this agreement is contingent upon the City receiving sufficient CDBG Program grant funds. If the grant funds are discontinued or reduced for any reason, the City's payments to the Subrecipient may cease or be reduced without advance notice to the Subrecipient, and the City will not be liable for any damages as a result of such discontinuance or reduction of grant funds. The Subrecipient shall not request disbursement of grant funds pursuant to this agreement until it requires such grant funds to pay eligible costs that it has expended for the Project.

5. Unique Identifier Number. Prior to the first payment, the Grantee will provide to the City the agency Unique Identifier Number (UIN) per 2 CFR Part 200.

6. Recordkeeping; inspection. The Subrecipient shall maintain detailed financial records that show the eligible costs of administering the Project. All financial records and payments under this agreement must comply with federal regulations.

- A. The City and HUD may conduct on-site reviews, examine the Subrecipient's personnel records, and conduct any other procedures and practices to audit and assure compliance with this agreement and applicable HUD regulations. The Subrecipient shall allow all audits of its records as may be required and permit inspection of Project records by representatives of the City and HUD during the Subrecipient's normal business hours.
- B. The Subrecipient shall retain all records pertinent to expenditures incurred under this agreement for five years after termination of all activities funded under this agreement.
- C. The Subrecipient shall maintain client data demonstrating client eligibility for services provided. Such data must include, without limitation, client name, address, income level or other basis for determining eligibility, and description of service provided. The Subrecipient shall maintain all client information collected pursuant to this agreement in a secure and confidential manner. The use or disclosure of such information, when not directly connected with administration of the Project, is prohibited unless prior written consent is obtained from the person receiving service, or in the case of a minor, the responsible parent or guardian.

7. Reporting. The Subrecipient shall submit a Youth Grant Reporting Form and supporting expenditure documentation along with each request for reimbursement. The reporting form is included in Attachment C. Nothing herein will be deemed, construed, or interpreted as prohibiting the City from requesting and the Subrecipient from providing the Reporting Form on a more frequent basis than as specified on Attachment C or when requested.

8. Conflicts of interest. The following conflict of interest provisions apply to the Subrecipient's use of CDBG Program grant funds for the procurement of supplies, equipment, or construction or other services:

- A. No individual who exercises or has exercised any functions or responsibilities with respect to activities under this agreement, or who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in or benefit from a CDBG-assisted activity, either for himself or herself or anyone with whom he or she may have business or family ties, during their tenure or for one year thereafter.
- B. This conflict of interest provision will apply to any individual who is an employee, agent, consultant, officer, or elected or appointed official of the Subrecipient or the City.
- C. Upon written request, exceptions to this conflict of interest provision may be granted jointly by the City and HUD on a case-by-case basis, but only after the Subrecipient has disclosed the full nature of the conflict, submitted proof that the disclosure has been made public, and provided a legal opinion that there would be no violation of state or local law if the exception were granted. The City's determination regarding a conflict of interest is not binding upon HUD.

9. Term. This agreement will remain in effect until June 30, 2023 inclusive, unless the parties terminate it sooner as provided in this agreement. The Subrecipient's obligation to make full and final payment of all amounts due under this agreement will survive the termination of this agreement until fulfilled.

10. Representations. The Subrecipient makes the following representations to the City:

- A. The Project will begin on July 1, 2022 and terminate no later than June 30, 2023 unless the parties otherwise agree in writing.
- B. The Subrecipient is qualified and has the requisite expertise and experience to administer the Project and is willing to use the grant funds for such purpose.
- C. The Subrecipient will administer the Project in a competent, professional, and satisfactory manner.

11. Default.

- A. Any breach of a representation or other provision of this agreement will constitute a default. A default by the Subrecipient also will consist of the use of grant funds for a purpose other than as authorized in this agreement or a failure to maintain detailed financial records concerning the use of grant funds.

- B. A party claiming a default shall give written notice of such default to the defaulting party, which notice will describe the nature of the default and the section of this agreement that the non-defaulting party believes was breached. The defaulting party will have 14 calendar days commencing on the date notice was given to cure or remedy the default. If the Subrecipient is the defaulting party, it will have 14 calendar days commencing on the date notice was given to (i) fully cure the default; (ii) submit a plan of correction that specifically describes the means and reasonable timeframe by which the default will be corrected; or (iii) provide evidence as to why the Subrecipient believes it is not in default. If the Subrecipient presents a plan for correcting the default, the City, within its reasonable discretion, may accept, reject, or provide an alternative plan of correction. The City's decision will be final. If the Subrecipient fails to correct the default as provided in this section, the Subrecipient will be deemed in breach of the agreement.
- C. If the City is the defaulting party and fails to cure or remedy the default as provided in this section, the Subrecipient may exercise any right, power, or remedy granted to it pursuant to this agreement or applicable law.
- D. If the Subrecipient is the defaulting party and fails to cure or remedy the default as provided in this section, the City may take one or more of the following actions:
- (1) Direct the Subrecipient to submit progress schedules for completing approved activities;
 - (2) Direct the Subrecipient to establish and maintain a management plan that assigns responsibilities for carrying out remedial actions;
 - (3) Direct the Subrecipient to suspend, discontinue, or not incur costs for the affected activity;
 - (4) Reduce or recapture the grant authorized in this agreement;
 - (5) Direct the Subrecipient to reimburse the City for costs inappropriately charged to the City; or
 - (6) Other appropriate action including, but not limited to, any remedial action legally available.

12. Indemnification. The Subrecipient shall indemnify and defend the City, its officers, employees, and agents against all claims, liability, or damage, including without limitation reasonable attorney's fees and costs, arising from or in any way related to the Subrecipient's activities under this agreement, except to the extent caused by the gross negligence or willful misconduct of the City, its officers, employees, or agents. This section will survive the termination of this agreement.

13. Independent contractors. The parties are independent contractors with respect to each other, and nothing in this agreement creates any association, partnership, joint venture, or agency relationship between them.

14. Third party beneficiaries. This agreement does not and is not intended to confer any enforceable rights or remedies upon any person other than the parties.

15. Assignment. The Subrecipient shall not assign, convey, or otherwise transfer any of its rights, duties, or obligations under this agreement to another person or entity without the express written consent of the City and authorization of HUD. In the event the Subrecipient seeks to assign, convey, or otherwise transfer any of its rights, duties, or obligations under this agreement, the Subrecipient shall demonstrate that it will use an open, impartial, and competitive selection process in making any such assignment, conveyance, or transfer of its rights, duties, or obligations.

16. Entire agreement; amendments in writing. This agreement constitutes the entire agreement between the parties, supersedes all other agreements or understandings between them pertaining to the matter of this agreement, and may not be amended except by a writing signed by both parties.

17. Dispute resolution; governing law. In the event of a dispute between the parties, the parties, before filing any court action, jointly shall select a mediator and shall make a good faith effort in such mediation to resolve their differences. The parties shall share equally in the cost of such mediation service. In the event mediation fails to resolve the dispute between the parties, either party may file and maintain an action in the Circuit Court for the Sixth Judicial Circuit, Champaign, Illinois. Illinois law will govern all actions to enforce, construe, or interpret this agreement.

18. Notices. The parties shall give all notices required or permitted by this agreement in writing. All notices will be deemed given when personally delivered; deposited in the U.S. mail, postage prepaid, first class; or delivered to a commercial courier service (e.g., FedEx or UPS). A notice delivered by email will be deemed given when the recipient acknowledges having received the email by an email sent to the sender's email address, as stated in this section, or by a notice delivered by another method in accordance with this section.
