PUBLIC INPUT GUIDELINES

The City of Urbana welcomes Public Input during open meetings of the City Council, the City Council's Committee of the Whole, City Boards and Commissions and other City-sponsored meetings. Our goal is to foster respect for the meeting process, and respect for all people participating as members of the public body, city staff, and general public. The City is required to conduct all business during public meetings. The presiding officer is responsible for conducting those meetings in an orderly and efficient manner.

Public Input will be taken in the following ways:

Zoom Webinar Participant Click on the link listed in the agenda to join the Webinar. You must provide your name and email address in order to join the Webinar. If you wish to speak during Public Input, "raise your hand" and wait to be called on by the meeting host. You must state your first and last name for the meeting record. Participants will be muted except when they are called on to speak; video will remain off for all members of the public when speaking.

Telephone Participant Call the phone number listed on the Agenda. Enter the Webinar ID followed by the # key. All callers are muted by default. If you wish to speak, "raise your hand" by pressing *9 once. When you are called on by the host or presiding officer you will be un-muted. You must state your first name and last name for the meeting record.

Email Input You may email public input between 8 am and 4 pm on the day of the meeting to Xpenn.diaz@gmail.com. Please put "PUBLIC INPUT" and the meeting date in the subject line. Emailed public comments labeled as such will be incorporated into the public meeting record, with personal identifying information redacted. Copies of emails will be posted after the meeting minutes have been approved.

Written Input Any member of the public may submit their comments addressed to the members of the public body in writing. If a person wishes their written comments to be included in the record of

Public Input for the meeting, the writing should so state. Written comments must be received prior to the closing of the meeting record (at the time of adjournment unless otherwise noted).

Verbal Input Protocol for Public Input is one of respect for the process, and respect for others. Ridicule, obscene or profane language, lack of respect for others, and personal attacks are not acceptable behavior. Public Input shall not be used to air personal grievances. Speakers should address all comments to the public body as a whole and not to individual members or City staff. Public comment shall be limited to no more than four (4) minutes per person. The Public Input portion of the meeting shall total no more than one (1) hour, unless otherwise shortened or extended by majority vote of the public body members present. The presiding officer or the city clerk or their designee, shall monitor each speaker's use of time and shall notify the speaker when the allotted time has expired. All public comments should be addressed to the public body as a whole. A person may participate and provide Public Input once during a meeting and may not cede time to another person, or split their time if Public Input is held at two (2) or more different times during a meeting. The presiding officer may give priority to those persons who indicate they wish to speak on an agenda item upon which a vote will be taken. The presiding officer or public body members shall not enter into a dialogue with citizens. Questions from the public body members shall be for clarification purposes only. Public Input shall not be used as a time for problem solving or reacting to comments made but, rather, for hearing citizens for informational purposes only.

*In order to maintain reasonable decorum at a meeting, the presiding officer or any member of the public body may call a speaker "out of order". The presiding officer of the meeting shall have the authority to provide a verbal warning to a speaker who uses abusive, harassing, threatening, or defamatory language, or who engages in disorderly conduct that disrupts, disturbs, or otherwise impedes the orderly conduct of a meeting. If the speaker refuses to cease such remarks or conduct after being warned by the presiding officer, the presiding officer shall have the authority to mute the speaker's microphone and/or video presence at the meeting. The presiding officer will inform the speaker that they may send the remainder of their remarks via email to the public body for inclusion in the meeting record.

Citations that Authorize the Presiding Officer to Bar Offensive Language During Public Comment:

The following citations provide the legal basis for adopting UCC Section 2-5(b)(1)(d) that allows the presiding officer of a City Council, Committee of the Whole, or a City-sponsored board or commission regulate “abusive, harassing, threatening, or defamatory language” during public comment. The following Attorney General binding opinions and case law essentially classify abusive, “harassing, threatening and defamatory language as “manner”, not “content”, of speech that can be reasonably regulated under the First Amendment.
