The goals of the citizen academy are: (1) provide stronger citizen/police relationships, (2) enhance lines of communication, and (3) the reduction of crime in our community.

Citizen Police Academy

In cooperation with the Champaign County Sheriff's Office, University of Illinois Police Department, Urbana Police Department, Champaign Police Department, Rantoul Police Department, Mahomet Police Department, Parkland College Public Safety, and District 10 of the Illinois State Police, the Police Training Institute is offering the Champaign County Citizen Police Academy.

COMMUNITY RELATIONS

The goal of the Citizen Police Academy is not only to help local residents better understand police work in their community, but to develop stronger ties between our community and police agencies in an effort to better address crime issues.

COMMUNITY ORIENTED POLICING

Community oriented policing is an important and vital aspect of crime control in any community. It is through community cooperation and planning that we can best ensure quality police services in an organized and effective crime prevention effort.

CRIME PREVENTION

The instruction provided at the Citizen Police Academy will include topics relevant to Champaign County such as: crime prevention and community based policing, drugs, gangs, school safety, DUI enforcement, citizen police contacts, use of force, firearms orientation and the law, crime scene investigation, a tour of the Champaign County Jail, and a patrol ride-along with your local department.

The Citizen Police Academy is a mechanism for local police departments to inform the public of what they do, improve communication, and obtain citizen input, assistance, and support throughout the county.

The Citizen Police Academy consists of blocks of instruction conducted over a ten week period. Classes will be held at the Police Training Institute and various local sites on Thursday evenings from 6:00 PM to 9:00 PM starting on Thursday, April 4, 2019 and will graduate on Thursday, June 6, 2019
