City of Urbana to Modify City Code Regarding Ambulance Services

In response to the ongoing effort to slow the spread of COVID-19 throughout the community, Mayor Marlin has issued Emergency Order 20-02. This order modifies staffing requirements and response times for private ambulance companies operating within the City of Urbana.

The purpose of this order is to offer flexibility when necessary for private ambulance companies as we all work toward combating this pandemic. Those items not specifically addressed in this Emergency Order 20-02 relating to Urbana City Code chapter 3.5 will remain in effect.

This emergency order is in effect as of the date of this release, and will remain so until rescinded.
