AP-05 Executive Summary - 91.200(c), 91.220(b)

1. Introduction

The Urbana HOME Consortium and the City of Urbana Annual Action Plan for FY 2021-2022 identifies activities that are planned to be implemented by the City of Urbana and the members of the Urbana HOME Consortium during the period beginning July 1, 2021 and ending June 30, 2022. This Annual Action Plan budgets the use of two federal housing entitlement funds, Community Development Block Grant (CDBG) and the HOME Investment Partnerships (HOME) Program. The Annual Action Plan for FY 2021-2022 is developed to further strategies identified in the City of Urbana and Urbana HOME Consortium Consolidated Plan for Program Years 2020-2024.

The Annual Action Plan identifies activities that will be undertaken by the City of Urbana and the Urbana HOME Consortium during the second year of the five-year Consolidated Plan period. The CDBG portion of the Annual Action Plan identifies the planned uses of CDBG entitlement funds by the City of Urbana for FY 2021-2022. The HOME portion of the Annual Action Plan identifies uses of HOME funds by members of the Urbana HOME Consortium. The members of the Urbana HOME Consortium (a.k.a. the Champaign/Urbana/Champaign County HOME Consortium) are the City of Urbana, the City of Champaign, and Champaign County.

The Annual Action Plan was on file for public review and comment during the period beginning March 15, 2021 through April 15, 2021. Public hearings to obtain citizen comments regarding the draft Annual Action Plan were held on January 26, 2021, March 23, 2021, and April 5, 2021. The hearings took place virtually via Zoom, and information regarding the hearings was published on the City's website. All comments received at the hearing, as well as other written comments submitted during the public review period, are included in the Annual Action Plan.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

A summary of the Consolidated Plan Objectives and Outcomes is provided below. Each project identified in this Annual Action Plan provides the applicable Objectives and Outcomes. The anticipated results is provided as "Outcome Indicators."

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The 2022/2020 Consolidated Annual Performance and Evaluation Report (CAPER) has not been finalized due to HUD rules mandating that all CARES Act funding be expended before completion of the CAPER. Once all CARES Act funding has been expended, the CAPER will be finalized and published for public view.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

The Annual Action Plan was developed by the City of Urbana in accordance with its Citizen Participation Plan included as part of the 2020-2024 Consolidated Plan process. The Urbana Community Development Commission sponsored two public hearings to obtain input prior to and during plan preparation. In order to encourage public participation by the broadest audience possible, the City held public hearings to solicit citizen input at various times. A public input meeting was held in March and was advertised to neighborhood list serves. Finally, a third public hearing was held at a City Council meeting.

5. Summary of public comments

The Annual Action Plan was developed by the City of Urbana in accordance with its Citizen Participation Plan included as part of the 2020-2024 Consolidated Plan process. The Urbana Community Development Commission sponsored public hearings to obtain input prior to and during plan preparation. In order to encourage public participation by the broadest audience possible, the City held public hearings to solicit citizen input at various times. The City also presented the Annual Action Plan to various community groups made up of housing, social service, and financial agencies. At the April 14, 2021 meeting of the Community Reinvestment Group, City of Urbana staff received feedback regarding the ongoing need for mortgage assistance programs. Members of the group agreed that such programs should be considered in the FY 23-24 Annual Action Plan.

7. Summary

The Annual Action Plan reflects the coordinated efforts of the Urbana HOME Consortium and its citizens, as well as the expansive network of housing and human service providers in Champaign County. Through strategies documented in this plan, the effectiveness and impact of federal funds will be maximized through thoughtful investment of resources, reduced duplication of services, and improved service delivery. The goals and objectives identified in this plan aim to improve the quality of life in

Champaign County, particularly for low-income, homeless, elderly, and/or special needs individuals and families.

Table 1 – Responsible Agencies

Narrative

The City of Urbana, through the Grants Management Division of its Community Development Services Department, acts as the lead agency for the Urbana HOME Consortium. As such, Urbana staff took the lead role in developing the City of Urbana and Urbana HOME Consortium Consolidated Plan for Program Years 2020-2024, especially as it relates to policies, procedures, programs and activities, and other issues specifically involving the City. However, overall development of the Consolidated Plan was a cooperative effort involving the City of Urbana, the City of Champaign, and the Champaign County Regional Planning Commission (representing the unincorporated areas of Champaign County). These regions are geographically contiguous and the areas of responsibility of the entities tend to overlap. These factors have contributed to an open and cooperative relationship among the municipalities which extends to both staff and elected officials. This cooperation is essential in assessing and attending to the needs of the greater community, and is the foundation for the Consortium's successes. The Grants Management Division also administers the Community Development Block Grant (CDBG), on behalf of the City of Urbana.

AP-10 Consultation - 91.100, 91.200(b), 91.215(l)

1. Introduction

The Consortium regularly participates in a number of meetings with community organizations, cooperatives, etc. occurring on a monthly, quarterly, or other regular basis, in order to develop and maintain partnerships with other community organizations. These meetings provide continual feedback on the needs and trends in the community, as well as opportunities for the Consortium to disseminate information about the programs and services it provides. Staff members of the Consortium entities often serve on committees and sub-committees, taking a very active and visible role in the community. In addition to the municipalities, a number of public and private entities play key roles in the health of the community. The Consortium makes every effort to include these organizations in the planning and implementation of the Annual Action Plan. Input from the public was also sought through public hearings and virtual meetings.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).

The Housing Authority of Champaign County continues to inform local jurisdictions of major housing opportunities and is currently collaborating on major redevelopments in Champaign and Urbana. The Housing Authority also has several new developments being designed in the county. The consultation confirmed the need for additional rental housing opportunities for low income households. The Urbana HOME Consortium coordinated with member organizations on the Human Services Council during the drafting FY 2021/2022 Annual Action Plan. Staff, in coordination with other funding groups, will continue to discuss and monitor ongoing needs for persons with mental health and other needs, particularly low-income persons and youth. Staff from local government are serving together on the local Continuum of Service Providers to the Homeless.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The Urbana HOME Consortium members have all served as past chairs for the Continuum of Care and/or Council of Service Providers to the Homeless (Coc). All three participating jurisdictions/subrecipients to the HOME Consortium continue to serve on the Continuum of Service Providers to the Homeless. The City of Urbana through its Consolidated Social Service Funding process and the administration of the Emergency Solutions Grant (ESG), funds many agencies in the community that work with homeless populations, including Courage Connection, Crisis Nursery, C-U Men's Shelter, Daily Bread Soup Kitchen, Champaign County Regional Planning Commission, and Cunningham Township.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The Champaign County Continuum of Service Providers to the Homeless receives a funding allocation from the State of Illinois that is made available to agencies. The CoC reviews the past performance of agencies who have received the funding, in order to determine how to allocate ESG funds in the community. The CoC has developed standards and an evaluation of outcomes for members who receive funding. The HMIS system is administered by the Champaign County Regional Planning Commission under agreement with the CoC. HMIS staff assigns access and provides initial training for authorized users, maintains oversight and continuing training updates for quality of data entry, collects HMIS data for HUD Exchange and other grant reports, and supports CoC planning efforts requiring data about clients served. At this time, most data is entered by a single user from hard copy documents collected at agency intake and data is shared among agencies only in aggregated formats to preserve confidentiality of households.

Introduction

The Urbana HOME Consortium expects to receive \$819,687 in FY 2021/2022 and an average of \$725,000 annually for a total five-year allocation of \$2,175,000. These funds are distributed annually with the Consortium wide-area based on priorities identified by the Consortium Members.

The City of Urbana anticipates the CDBG entitlement grant to remain consistent over the Consolidated Plan period. CDBG funding in FY 2021/2022 is \$516,972 and an average of \$420,000 annually after that for a total of \$1,260,000. Funds will be allocated to priorities set by the community and staff over the five year period.

Federal funds allocations are determined by Congress and may fluctuate. These fluctuations will be taken into account during the annual budget process.

Table 2 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

All Consortium members continue to seek private investment, tax credits, and grant opportunities from the State of Illinois that further the goals

outlined in the Consolidated Plan. Tax credit developments are anticipated in the City of Urbana in the Consolidated Plan period, including the development of the Pinewood permanent supportive housing site on Colorado, as well as the Bradley Avenue development. The City of Champaign continues to work with private developers applying for tax credit incentives on future developments. Champaign will focus its HOME funds on the continued development of Bristol Place.

The match requirement for the HOME program utilizes a variety of leveraging sources to fulfill this obligation. The City of Urbana and Champaign contribute cash match towards its HOME projects from private investment in development projects. Land donations for developments will contribute to the program in the coming year, as well as sweat equity and cash contributions provided by the volunteers of Habitat for Humanity of Champaign County. The Consortium has a large carryover match balance that will exceed the anticipated match requirement in the coming years.

CDBG funded City of Urbana projects for public facility and infrastructure combined with general funds and State of Illinois Motor Fuel Tax dollars. This practice will continue through the 2020/2024 Consolidated Plan.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

City Code Enforcement staff will continue to identify blighted properties that may be purchased with CDBG funds, demolished, and then donated to a not for profit developer or CHDO such as Habitat for Humanity. These lots will be used to address affordable housing needs identified in the Consolidated Plan. The City does not keep an inventory of land.

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

Urbana is a city in and the county seat of Champaign County, Illinois. The population is estimated at 42,214 as of July 1, 2022. Urbana is the tenth-most populous city in Illinois outside of the Chicago metropolitan area. Urbana is notable for sharing the campus of the University of Illinois at Urbana–Champaign with its sister city of Champaign. The three largest employers in Urbana are two non-profit hospitals and the University of Illinois.

The City of Urbana focuses its community development activities, goals, and objectives in its low income census tracts which includes CT 53, 54, 55, 56 and 57. The Code Enforcement activities are focused in these areas as well.

AP-60 Public Housing - 91.420, 91.220(h)

Introduction

Actions planned during the next year to address the needs to public housing

The Housing Authority of Champaign County (HACC) is a Moving to Work (MTW) organization. This innovative approach to housing takes into account the impact work has on an individual, his or her personal growth, as well as an ability to provide for themselves and any other members of the household. Able-bodied public housing residents are required to work a minimum of 20 hours a week, and case management is provided to assist tenants in the job search process. Moving to Work (MTW) is a demonstration that provides a limited number of Public Housing Authorities with the ability to design and test innovative approaches tailored to their communities, using federal dollars more efficiently, providing increased support for families to become economically self-sufficient, and increasing housing choice for low income households. The broad flexibility to waive statute and regulations allows HACC to better serve and house residents while streamlining internal operations.

The seven-member HACC Board of Commissioners consists of two commissioners appointed by each of the Cities of Urbana and Champaign, an appointee that rotates between the two cities called a “floating” appointee, a commissioner appointed by the Champaign County Board, and a commissioner appointed from among residents of the HACC properties.

The City will continue to work with the HACC to develop collaborative measures to further each organization's programmatic goals in the community regarding affordable housing initiatives.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

The HACC continues its partnership with Habitat for Humanity of Champaign County to provide affordable homeownership opportunities to its residents. Habitat is a certified Community Housing Development Organization for the Urbana HOME Consortium. The Consortium will seek ways to continue to support Habitat, which will in turn further the homeownership goals set by the HACC for its public housing residents seeking to transition into homeownership.

If the PHA is designated as troubled, describe the manner in which financial assistance will be

provided or other assistance

The Housing Authority of Champaign County is not designated as a troubled PHA.

AP-65 Homeless and Other Special Needs Activities - 91.420, 91.220(i)

Introduction

The Champaign County Continuum of Service Providers to the Homeless surveys homeless persons in Champaign County each January as required by HUD in an effort to count the number of individuals and families experiencing homelessness to better understand the causes of homelessness and to plan services that will effectively address the needs of this population. In summary, the 2021 Point-In-Time survey reported that Champaign County had approximately 148 individuals and 107 households in shelters. Of those surveyed, two were classified as unsheltered individuals.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

Priority will be given to programming that meets the needs of the chronic homeless population. Addressing emergency shelter and transitional housing needs of homeless persons continues to be a priority. The City will continue to work closely with Cunningham Township and other service providers to address the needs of all persons experiencing homelessness.

The Champaign County Continuum of Service Providers to the Homeless has a centralized intake to assist persons experiencing homelessness find the services they need. Currently, the Champaign County Regional Plan Commission is working to fulfill that role.

Addressing the emergency shelter and transitional housing needs of homeless persons

Currently there is one year round emergency shelter in the community. Local agencies and the City of Urbana and Champaign are working in collaboration with this organization. In addition, the City of Urbana hopes to include its transitional housing in the overall transitional housing program offered to persons exiting the Emergency Family Shelter. This partnership will ideally provide for better connectivity of services, as well as avoid duplication of services to persons experiencing homelessness.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

The Champaign County Continuum of Service Providers to the Homeless is seeking to address homelessness at each stage of homelessness through prevention, outreach and assessment, emergency shelters and services, transitional housing, and helping homeless persons make the transition to permanent housing and independent living. There is a wide array of services provided in the community that help coordinate these efforts throughout Champaign County.

AP-75 Barriers to affordable housing -91.420, 91.220(j)

Introduction

Barriers to affordable housing are largely financial. The need for affordable housing units far outweighs funding available to construct or subsidize those units. In addition to financial gaps, other social aspects play a role in an individual or family's ability to secure affordable housing, including mental illness, unemployment, drug and/or alcohol addictions, as well as criminal record. Residents seeking assistance from the Housing Authority of Champaign County must have a clean criminal record over the past five years. This policy is imposed at a federal level and cannot be amended. Persons or families affected with a criminal history often cannot secure housing in the larger metropolitan area and are forced to seek housing in outlying areas that may be more relaxed regarding background and credit checks.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The cost of housing within the Consortium is not significantly affected by local public policies. The City of Champaign, the City of Urbana, and Champaign County have policies on taxation, land use, zoning, building codes, fees, etc., that are conventional and similar to other downstate Illinois and Midwest communities. Housing costs are influenced by the large number of transient tenants and homebuyers who are attending the University of Illinois. This high demand for housing has resulted in increased housing costs, especially in the rental housing market. Because the City zoning code is one of the primary tools used to regulate development, staff from the City of Urbana's Planning Division actively monitors its use. Careful attention is paid to address any issues that may impact the development of affordable housing. Urbana started its Comprehensive Planning Process in FY 20/21 and hopes to finalize in FY 22/23. Barriers to affordable housing will be one of the items under review during the process.

Discussion

AP-85 Other Actions - 91.420, 91.220(k)

Introduction

Proposed actions associated with the City's 2021-2022 Annual Action Plan are described primarily in the specific related sections of the Plan. This section describes any actions to be undertaken by the City of Urbana that will further the goals of the 2020-2024 Consolidated Plan.

Actions planned to address obstacles to meeting underserved needs

The City of Urbana will continue to focus its community development efforts in the following three areas as it addresses obstacles to meet underserved needs: 1) affordable housing, 2) economic development and business retention opportunities, and 3) strong and vibrant neighborhoods. Affordable housing needs will be addressed by focusing on housing cost burden. Rental assistance will be provided and investment in affordable housing developments will continue in FY 21/22. However, the limited supply and rising cost of housing makes challenges like homelessness and racial inequity in housing even more difficult to address. Economic development and business retention will be targeted to small businesses in the City of Urbana Community Development Target Areas. This need will be addressed by providing grants and/or small loans to businesses to build, expand or rehabilitate a building, purchase equipment, or provide expansion assistance. Creation of strong and vibrant neighborhoods will focus on support for low- and moderate-income persons. Needs addressed through strategic investments in infrastructure, public facility improvements, and community assets will strengthen and enhance the health of the neighborhoods.

Actions planned to foster and maintain affordable housing

Actions planned to reduce lead-based paint hazards

The City of Urbana will seek funding opportunities to address lead hazards that are outside the scope of our other programs. The City will continue to use Lead Safe Practices in implementing its various rehabilitation activities. Education opportunities will be provided at public workshops. Lead-based paint remediation policies and procedures are included in each housing rehabilitation contracted funded with federal funds. Contractors are required to follow lead-safe work practices to be in compliance with local, state, and federal requirements.

Actions planned to reduce the number of poverty-level families

The Tenant Based Rental Assistance programs in the Consortium area are targeted towards persons who are below the poverty-level. The combination of self-sufficiency case management, and stable housing is intended to assist households in escaping poverty. Staff will evaluate these programs for their effectiveness during the Annual Action Plan year. Economic development opportunities will be provided to small businesses located in Community Development Target areas. Priority funding will be made

available to social service agencies who support education, health care, and youth programs to assist individuals and families attain greater independence.

The City will continue its poverty reduction strategy by focusing its programs in a geographic area. By working closely with residents and concentrating program and public improvements in a specific targeted neighborhood, the community will feel a greater impact. Key strategies include:

- Improve public infrastructure within target areas
- Support efforts of owners and residents to reduce energy consumption
- Coordinate city-funded programs and services with other funders, businesses, and neighborhood groups.

Actions planned to develop institutional structure

Urbana staff work to foster creative ideas for improving the institutional structure that is part of a larger, more holistic network of services that benefit low-income households. By supporting various social service agencies through staff participation on the Continuum of Service Providers to the Homeless, the City of Urbana plays a role in developing programmatic improvements that will further the impact of these services in the community. Staff will continue to review internal and external policies and procedures to eliminate barriers.

Actions planned to enhance coordination between public and private housing and social service agencies

The City of Urbana will continue its efforts to increase coordination and collaboration with the public and private housing and social service agencies in the community. Urbana staff regularly attend board meetings for the Housing Authority of Champaign County. The City also maintains an active presence on the Continuum of Service Providers to the Homeless, offering assistance with various reporting and application systems inherent to the successful delivery of the Continuum of Care network. The City plays an active role in the Community Reinvestment Group, a group of local lenders looking to address affordable housing issues in the community. The City hosts a public hearing each year specifically for social service agencies in order to gauge the evolving needs in the community and in within the service network.

Each funded activity meets at least one of the following national objectives:

- To benefit low- and moderate-income persons;

**HOME Investment Partnership Program (HOME)
Reference 24 CFR 91.220(l)(2)**

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

The Urbana HOME Consortium will not be carrying out activities outside of those described in Section 92.205 in the 2021-2022 Fiscal Year.

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

For HOME assisted projects that do not include direct buyer assistance, a resale restriction will be used, to be in effect for the duration of the affordability period. The affordability period is based on the amount of HOME assistance provided to the project. A land use restriction, mortgage, and promissory note shall be recorded against the title to the property. Each of these documents will include a provision restricting the sales price such that it must be "affordable" to low-income buyers. In this instance, the affordable price results in a monthly housing cost for principal, interest, taxes and insurance of not more than 30% of the gross monthly income for a household below 80% of the area median income for the Champaign County Area. The term "low-income buyer" has an annual income, as adjusted for family size, that is less than or equal to eighty percent (80%) of the area median income (as defined by HUD) for the Champaign County area. The owner shall receive a fair return on his/her investment. The sales price may encompass the cost of any home investment documented with receipts, which can be defined as, but is not limited to, any additions to the home such as a bedroom, bathroom, or garage, replacement of heating, ventilation, or air conditioning systems, accessibility improvements such as bathroom modifications for disabled or elderly which were not installed through a federal, state, or locally-funded grant program, or outdoor improvements such as a new driveway, walkway, retaining wall, or fence. The sales price may also encompass the increase in the value of owner equity and investment as calculated by the cumulative percentage of change which is calculated by the Housing Price Index (HPI) calculator of the Federal Housing Finance Agency (X) plus 1.00 times the total owner investment at time of purchase (Y) plus the documented capital improvements (Z). A complete description of the recapture and resale provisions is found in the attached Resale and Recapture Guidelines for HOME

Program Activities.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

The City of Urbana, Urbana HOME Consortium members, and designated Community Housing Development Organizations agree that, to the extent allowable by law, to secure the HOME funds, an agreement with the homebuyer, as well as a mortgage and promissory note shall be executed for any HOME funded homeownership property. Each document will include the prescribed net sales proceeds provisions for the recapture of HOME funds as outlined below. The mortgage and promissory note are to be recorded against the title to the property. For HOME-assisted, homeownership units, wherein HOME funds are utilized to provide direct assistance to the homebuyer, net proceeds from the sale must provide the original homebuyer, now the home seller, a “fair return” on his/her investment (including any down payment and capital improvement investment made by the seller since purchase). The table in the attached City of Urbana Resale and Recapture Guidelines for HOME Program Activities provides for the minimum terms of affordability based on the amount of direct assistance provided to the homebuyer.

The period of affordability shall commence from the date the activity is identified as “completed” in HUD’s Integrated Disbursement Information System (IDIS).

Subject to recapture are the HOME funds that are invested in a HOME assisted unit, as a direct subsidy to the homebuyer. The subsidy could include down payment assistance and the amount of each subsidy would be a minimum of \$1,000 and differ per each homebuyer. The City will reduce the HOME investment amount to be recaptured from the Net Proceeds on a prorated basis for the time the Homeowner has owned and occupied the housing measured against the remaining years in the required Affordability Period. The prorated basis is as follows:

First Year - 90% of HOME investment from available Net Proceeds

Second Year - 70% of HOME investment from available Net Proceeds

Third Year - 50% of HOME investment from available Net Proceeds

Fourth Year - 30% of HOME investment from available Net Proceeds

Fifth Year - 10% of HOME investment from available Net Proceeds

The amount of recapture funds are subject to the availability of Net Proceeds available from the resale of the property. The term “Net Proceeds” shall mean the proceeds as indicated upon a closing settlement statement of the net amount to be paid to the seller. In the event that no such

statement exists, “Net Proceeds” shall mean the amount equal to the sales price (X) minus any superior private debt (Y) and minus any reasonable closing costs (Z), as determined by the City, including, but not limited to, title insurance, recording fees, Realtor’s commissions or property taxes. A complete description of the recapture and resale provisions is found in the attached Resale and Recapture Guidelines for HOME Program Activities.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

Refinancing of a project may occur only if specifically authorized in an approved Annual Action Plan, and then only if conditions of the refinancing are clearly stated in the Plan. To be eligible for refinancing a project must meet the following conditions:

- Refinancing cannot be the primary purpose of the HOME investment. Refinancing is only appropriate when HOME funds are loaned to rehabilitate the property for which refinancing is being requested and then only when necessary to permit or ensure continued affordability. To demonstrate that rehabilitation is the primary activity for which HOME funds have been expended in connection with the property, at least \$5,000 per unit average in HOME funds must have been provided for rehabilitation of the property.
- The project sponsor requesting HOME funds for debt refinancing must demonstrate, and the Consortium must confirm, that disinvestment in the property has not occurred, long-term needs of the project can be met through the refinancing, and servicing the targeted population over an extended affordability period is feasible.
- Refinancing may be approved either to maintain current affordable units or to create additional affordable units.
- Properties for which refinancing is approved may be located anywhere within the corporate limits of the Consortium members.
- Properties for which refinancing is approved are subject to an affordability period of at least 15 years starting on the date the refinancing is closed.
- HOME funds cannot be used to refinance multiple-family loans made or insured by any other federal program, including but not limited to, the Community Development Block Grant Program.

CRG Meeting - Wednesday, April 14, 8:30 am Minutes Prepared by Breaden Belcher, City of Urbana

Belinda Landry called the meeting to order at 8:33 am

Members in attendance: Angela Lowe, Audrey Russell, Belinda Landry, Bob Guido, Breaden Belcher, Chad Hoffman, Gary Maughan, Janel Gomez, Javier Gumucio, Michael Daugherty, Sheila Dodd, Wednesday Medlen

Approval of minutes: The minutes from the March 10th meeting were presented for approval. Michael Daugherty moved to approve the minutes. Chad Hoffman seconded. The motion carried unanimously.

Member Presentations:

Javier Gumucio from the Illinois Housing Development Authority presented on IHDA mortgage updates. IHDA has reported 1 billion in closed loans in 2020, and has launched new programs. The Smart Buy program offers student loan relief to help potential homebuyers. The Opening Doors program is designed to increase access to affordable housing for underserved communities. Mr. Gumucio pointed out that income and purchase price limits vary by county, and that information can be found on their website. Both programs are available throughout Illinois.

Janel Gomez from the City of Champaign Neighborhood Services Department and Breaden Belcher from the City of Urbana Community Development Department presented the FY 2021-2022 Annual Action Plans for the Community Development Block Grant and HOME Investment Partnership programs. They requested input from the group on possible ways these federal funding sources can be spent in the community. Gary Maughan discussed the potential need for mortgage assistance programs in the future, and Belinda Landry noted the existence of such programs in the past. Agreement that this could possibly be pursued in 2022/2023. If this is the case, planning should begin as soon as possible.

Member Reports

Chad Hoffman from Habitat for Humanity provided an update on the organization's work. Habitat has been coordinating with CCRPC and IHDA on a rental assistance programs, which will potentially roll out in May. The 1211 Eads home build has begun, and construction on 207 Kerr will begin soon. Habitat is also planning to pilot a ramp program that focuses on rural communities.

The group discussed the current business climate. Gary Maughan stated that home lending has picked up to about 55%. Belinda Landry pointed out that limited housing stock makes the process more difficult now. Chad Hoffman mentioned that house prices up in Champaign County are currently up 20%.

The group also discussed PPP lending, which is ongoing. Funds will most likely be expended by the end of April.

Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) FY 2021/2022/2023 [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

DATE: April 15, 2021

SUBJECT: A RESOLUTION APPROVING THE CITY OF URBANA AND URBANA HOME CONSORTIUM (CHAMPAIGN/URBANA/CHAMPAIGN COUNTY) ANNUAL ACTION PLAN FOR FISCAL YEAR 2021-2022

Description

The City of Urbana, Grants Management Division, seeks approval of the CITY OF URBANA AND URBANA HOME CONSORTIUM (CHAMPAIGN/URBANA/CHAMPAIGN COUNTY) ANNUAL ACTION PLAN for FY 2021-2022. The Plan will be submitted to the US Department of Housing and Urban Development (HUD) for review so the City of Urbana may continue to receive Community Development Block Grant (CDBG) and HOME Investment Partnerships (HOME) funding.

Background & Discussion

The Consolidated Plan FY 2020-2024 was adopted by City Council on June 8, 2020. As a recipient of CDBG and HOME entitlement funding from the U.S. Department of Housing and Urban Development, the City of Urbana and the Urbana HOME Consortium are required to submit a Five-Year Consolidated Plan. The Consolidated Plan guides utilization of the City's HOME and CDBG resources. Any project funded with CDBG and/or HOME funds must be consistent with the goals, strategies, and objectives included in the Consolidated Plan. An annual plan outlining activities to meet the goals of the Consolidated Plan is required by HUD.

The FY 2021-2022 Annual Action Plan is completed electronically and submitted to HUD through the Integrated Disbursement and Information System (IDIS). The Executive Summary of the Plan provides a description of the performance measurement framework required by HUD. The demographic information/data, housing/community development information, and related background information are based on information from the Census and other resources provided by HUD. Many of the housing and community development goals and strategies are similar to those contained in the previous Annual Action Plan. On February 23, 2021, the Community Development Commission reviewed the proposed FY 2021/2022 Annual Action Plan.

A public hearing, to accept comments on the Annual Action Plan, was held on January 26, 2021, immediately before the Community Development Commission, a second hearing was held on March 23, 2021 before the Community Development Commission, and a third on April 6, 2021 before the City Council Committee of the Whole. A draft of the Plan was also made available for public review

and comment from March 15, 2021 to April 15, 2021. A virtual public input meeting was held on March 11 and was advertised through neighborhood groups, the City's website, and through social service agencies. All comments were incorporated into the final plan for City Council approval.

The beginning of the FY 2021-2022 program year is July 1, 2021. HUD requires that the Annual Action Plan be submitted at least 45 days prior to the beginning of the program year. The funding allocation amounts for the next fiscal year have been determined, as HUD has announced its formula allocations for entitlement communities. For FY 2021-2022, the City of Urbana's CDBG allocation from HUD is **\$516,972** and the Urbana HOME Consortium allocation is **\$819,687**.

Fiscal Impact

There are considerable fiscal impacts associated with the preparation of the FY 2021-2022 Annual Action Plan. If a proposed project is not consistent with the goals and strategies of the Consolidated Plan, the project cannot be funded with CDBG, CDBG-CV, or HOME funding unless the Consolidated and Annual Plan is amended to include the project. The proposed Annual Action Plan FY 2021-2022 includes revenue from HUD of **\$516,972** in CDBG funds, unexpended prior year CDBG funds of **\$225,000**, unexpended CDBG-CV funds of **\$75,000**, and HOME funds of **\$819,687**. The final proposed budget is attached.

The Consolidated Plan guides the annual expenditures of CDBG and HOME funding. Failure to submit an Annual Action Plan to HUD may result in a significant delay in accessing CDBG and HOME funds, which would create a financial burden for the City to advance funds for these programs.

Options

1. Approve the Resolution and forward to City Council consent agenda
2. Approve the Resolution with changes
