

Invitation to Bid #2223-10 Landfill Vegetation Maintenance Services

You are invited to deliver pricing for Vegetation Maintenance Services as described below. Email to srtess@urbanaininois.us or deliver to 706 S. Glover Ave. Urbana, IL 61802 by 2:00pm Monday September 19, 2022.

SUMMARY AND SPECIFICATIONS

1. Summary: The City and the Champaign-Urbana Solid Waste Disposal System (CUSWDS) is seeking services for rough cut or bush hog mowing and silt fence removal at the closed CUSWDS Landfill located 901 N. Smith Rd. Urbana, IL 61802.
2. Specifications:
 - a. The work contemplated by this Invitation to Bid is restricted to the Project Areas shown on the attached Exhibits.
 - b. The Project Areas are as follows:
 - i. Area 1: .64 acres
 - ii. Area 2: 3.2 acres plus approximately 400 feet of silt fence
 - c. Depending on pricing, the City anticipates contracting services for one or both of the Areas listed this current Fiscal Year.
 - d. Respondents can provide pricing for one or both Project Areas. However, Respondents should not provide a single price for all Project Areas collectively. Pricing should be listed for Project Areas individually.
 - e. All vegetation shall be cut to a height no higher than six (6) inches. Vegetation is primarily non-woody. Vendor should keep distance from the solar panels without fencing.
 - f. The Successful Respondent shall enter into a contract with the City of Urbana for the work described in this Invitation to Bid. All work described in the contract shall be completed within 30 days of execution of the contract.
 - g. The Successful Respondent may perform the work described in the contract between the hours of 8:00am and 3:30pm Monday through Saturday. These are retail operational hours for the Landscape Recycling Center. As such, the Successful Respondent needs to keep the road clear of vehicles and equipment. Off street parking for vehicles is available onsite. Additional hours may be arranged by mutual consent of both parties dependent on the availability of City staff. All appropriate road signage shall be used for safety of workers and public access. Flaggers may be needed in certain areas depending on activities.

- h. Prices quoted by Respondents shall be inclusive of any permits, fees, labor, mobilization/demobilization, or delivery costs relevant to the services described in this Invitation. No such fees shall be assessed to the City. Landscape Recycling Center fees shall not be included in Respondents' price quotes and shall not be borne by the Respondent.
- i. Respondents can view the Project Areas from the Barr Street. Additionally, Respondents may arrange a site visit by calling Scott Tess at 217-384-2381 or by emailing srtess@urbanainllinois.us.
