Urbana's Market at the Square Staff Report January 19, 2017

Prepared by Natalie Kenny Marquez, Director, Market at the Square

Introduction

The following Market at the Square Staff Report describes activities of Urbana's Market at the Square. The report includes information regarding projects which are in progress, recent requests and recommendations from the public, staff activities, and upcoming events.

- **2016 Annual Report**

- Market Staff will present the 2016 Annual Report to the Urbana City Council on January 23rd. Market Advisory Board members are invited to attend the meeting which will take place at 7 p.m. in the Council Chambers.

- **SNAP/EBT and WIC Update**

- The LINK Up Double Value funds awarded to Urbana's Market at the Square in the amount of \$4,862 were not completely expended during the 2016 season. The grant went into circulation beginning on September 10th, leaving only 9 market dates to distribute the produce incentives to Market customers. Based on our sales throughout the season, 2016 proved to be the most successful season for our SNAP program to date. We are confident that the funds would have been exhausted had they come earlier in the season. The Market Director has submitted a request to extend funding to the 2017 in order to carry over the \$2,088 in unspent funds.
- Staff is exploring opportunities to find additional funds to support SNAP incentives during the 2017 season. This includes additional grant opportunities with LINK Up Illinois as well as other organizations from the Urbana community.

- **Conferences and Presentations**

- The Market Director co-presented at two sessions during the Illinois Specialty Crops, Agritourism and Organic Conference on January 13th in Springfield. The sessions were titled: "The Need to Know at Selling at Farmers Markets" and "Market Advisory Boards – It Takes a Team to Build a Successful Farmers Market".
- The Assistant Market Director attended the Routes to Farm Summit at Starved Rock Lodge & Conference Center on January 18-19th.
- The Market Director will give a presentation regarding marketing principles and branding at The Land Connection's workshop entitled "Marketing Strategies for Specialty Crops and Diversified Farms" on January 26th at Prairie Fruits Farm and Creamery in Champaign.

- **Promotional Events**
 - Urbana's Market at the Square was accepted by the Farmers Market Coalition to be takeover their Instagram Account September 11-24, 2017. An Instagram takeover means that Urbana's Market at the Square staff will produce photos and captions for the Farmers Market Coalition to post from their account. This offers Urbana the opportunity for enhanced exposure and a great way to attract new Instagram followers.

- **Programming**
 - The Third Annual CSA Fair will take place on Friday, March 3rd from 4-7 p.m. at the Urbana Civic Center, 108 West Water Street. A flyer is attached and more information may be found at www.urbanaininois.us/market.

- **Website**
 - A new stand-alone website for Urbana's Market at the Square is currently in development! The launch date is tentatively set for April 2016. More details to come!

- **2017 Planning**
 - **Pre-Season Meeting:** The pre-season meeting will take place on Thursday, January 26th from 3-5 p.m. at the Urbana Civic Center, 108 West Water Street. A flyer is attached and more information may be found at www.urbanaininois.us/market.

Every Saturday from May 6 -November 4, 2017 | 7 a.m. to 12 p.m. | RAIN OR SHINE.

The farmers market takes place in the City of Urbana parking Lot 10X located at the corner of Illinois and Vine Streets in downtown Urbana.

OVERVIEW

Statement of Purpose

Urbana's Market at the Square has been operated by the City of Urbana since the late 1990s and has grown into a significant economic, social, and educational opportunity for its patrons, vendors, community groups, and performing artists. It's a tremendous asset to central Illinois, and its vitality is very important to the City of Urbana.

Mission of Urbana's Market at the Square

Urbana's farmers market is a vibrant market that connects the community with local food growers and producers, strengthens our local food economy, provides access to local artisans, and serves as a community gathering place.

Definition of Producer-Only

Urbana's Market at the Square encourages the sale of a variety of goods and emphasizes fresh, local foods. All items must be directly and personally homegrown, handmade, and/or created from locally-owned operations within the state of Illinois. Examples of approvable items include produce, flowers/plants, meat, dairy, baked goods/prepared foods, art/crafts, wine, beer, and spirits.

Participant Categories and Definitions

A vendor is an owner/operator of a business entity approved to sell at Urbana's Market at the Square from May 6 to November 4, 2017. The categories and definitions of products to be sold at Urbana's Market at the Square are below.

A Grower is a person actively involved and invested in the planting, growing and harvesting of agricultural products. We define agricultural products as fresh fruits and vegetables, meat, nuts, honey, eggs, fresh herbs and flowers. Certain certificates/licenses/permits may be required.

A value added food vendor sells products in which the physical state or the manner in which the agricultural products has been altered. Products may be cooked, canned, dried, baked, preserved such as flour, cheese, ice cream, breads, pastries, chocolates, jams and jellies. Certain certificates/licenses/permits may be required.

A mobile food vendor sells food that is freshly made and available for immediate consumption on-site at Urbana's Market at the Square. The Market encourages this category of vendors to source ingredients locally, especially from Market at the Square growers and producers. Certain certificates/licenses/permits may be required.

An arts, crafts and handmade goods vendor sells products designed, fabricated and hand-crafted by the artisan vendor. Acceptance is based on originality of design, materials and production techniques. All crafts must be of excellent workmanship both in quality and design. The items must show evidence of manual skills obtainable through a significant period of dedication and experience.

A community group must be a non-profit, charitable, educational, or government organization. While the mission of Urbana's Market at the Square involves the promotion of supporting local Illinois growers and artisans, the Market also allows tables for non-profit community groups during Market hours as a service to the community.

OVERVIEW (CONT.)

Additional Participant Details

- All items must be directly and personally homegrown, handmade, and/or created from locally-owned operations within the state of Illinois.
- A current product list must be submitted by each vendor at the time of applying. Only items listed in the application and approved by the Market Director may be sold at Urbana's Market at the Square. Adding additional products after the initial application must first be approved by Market Staff before they can be brought to Market. Market Staff has the right to require a vendor to remove any products that have not been approved if he or she brings them to Market without prior approval.
- No vendor is allowed to purchase products from a supplier and resell the items at the Market. Carrying is not permitted unless approved by the Market Director.

- Community Groups MAY NOT sell products or offer services while at Market, however, groups wishing to sell items for a fundraiser may do so ONLY with advanced approval by the Market Director. SNAP/EBT AT URBANA'S MARKET AT THE SQUARE

Farmers markets and direct marketing farmers are a great source of fresh fruits, vegetables, and other healthy foods. The United States Department of Agriculture (USDA) has made it a priority to expand access to such food for Supplemental Assistance Nutrition Program (SNAP) participants.

In Illinois, SNAP benefits are loaded onto a card called LINK. Urbana's Market at the Square is proud to provide a program that allows SNAP participants to use their benefits on healthy, locally-grown produce and SNAP-eligible products at the farmers market. Market Staff provide wooden tokens to use same as cash at SNAP-eligible Market vendors. The tokens come at no cost to customers.

To ensure consistency and clarity for customers, the Market requires that all vendors selling SNAP-eligible items participate in our SNAP program. **There is no fee for vendors to participate in this program.** However, all vendors, including those selling items non-eligible for SNAP purchases, must be familiar with this program and comply with the requirements in this Agreement. To ensure consistency and compliance with regulations, vendors participating in Urbana's Market at the Square must certify in the vendor application that they are aware of and agree to the rules of this program.

All SNAP-eligible vendors will receive a special packet of information on their first day of Market that includes a more detailed overview of our SNAP program, details on how to account for and reconcile wooden tokens, the reimbursement process, and more. Vendors also will be provided with a "We Accept LINK Tokens" sign, which must be displayed at their booth at all times. If any of these documents or signs are misplaced please let Market Staff know right away and they'll provide duplicates.

The Market promotes this program through on-site signage, brochures, press releases, and advertising. The Market also seeks out opportunities to incentive our SNAP program through double value grants. These grants help to extend SNAP participants purchases, meaning, stretch their dollar at the farmers market. In 2016 over \$21,000 in SNAP and SNAP Double Value funding was distributed at Urbana's Market at the Square.

Our SNAP program is a very important part of our farmers market and we are dedicated to providing this opportunity to the community. Please let Market Staff know if you have any questions.

WHAT TOKENS LOOK LIKE:

LINK = GREEN

CREDIT / DEBIT = ORANGE

Credit/Debit tokens were no longer distributed after 2012. If any still exist by customers they are still valid and may be used.

ACCEPT NO SUBSTITUTES!

Mobile food vendors must provide at least one trash barrel and are responsible for taking that barrel with them for disposal.

LIABILITY: The vendor is liable for any incidents, accidents, or injuries resulting during setup, tear-down, and during the hours of operation at the Market.

EMERGENCY PROTOCOL

As with any large public event, it is necessary to establish an emergency/crisis management plan and ensure that all vendors and community groups are aware of this plan. Here are some examples of an emergency situation:

- There is an explosion or an accident involving multiple victims and there is potential danger to the public
- A firearm(s) being discharged
- A suspicious package is found
- There is fire that is not under control
- There is a chemical spill with fire or fumes
- Severe weather is imminent (i.e. tornado)

The Market does not have a speaker system. Therefore, it is necessary that there is open communication with Market staff regarding any potential emergency situation. As always, please call 9-1-1 if an emergency situation is taking place. Our evacuation plan at Urbana's Market at the Square in case of an emergency is the following:

- Remain calm.
- EVERYONE must immediately evacuate the Market site through the nearest exit/gateway.
- In the event of severe weather, please immediately evacuate the Market and go inside the nearest entrance of Lincoln Square Mall. Market staff will assist in directing individuals indoors. This is not to set-up booths for sale during inclement weather. This is only to act as an indoor location for physical protection from severe weather.
- Do not return to the Market site until directed by public safety officials.

HOLD HARMLESS AND IDEMNIFICATION

Market at the Square is an arrangement whereby space at the Market is leased by the City of Urbana to vendors who are sole proprietors, partnerships, or independent entities not connected with the City of Urbana or Lincoln Square Village (or its owners, agents, employees, and management). All vendors agree to hold harmless and indemnify the City of Urbana, the owner of Lincoln Square Village, and agents, representatives and employees of those organizations, from any and all responsibilities, losses of income, claims, damages, lawsuits, reasonable attorney fees, costs, expenses or judgments incurred by, or resulting from, the enforcement of any rules or from the sale or consumption of goods sold by the vendors at the Market.

CONDUCT

Market at the Square is a public market, and as such is a special event. A vendor may be prohibited from participating in the Market if the Market Director determines that a vendor does not fit any of the criteria of the Market as set forth in this handbook. In no event shall the approval or disapproval of an application be based upon the applicant's race, sex, color, religion, creed, national origin, physical or mental disability, age, sexual orientation, marital status, or any other protected status. Any behavior deemed by the Market Director to be disruptive in any way shall be cause for eviction of the vendor and possible legal action. Common courtesy and mutual respect are essential for a successful Market. No vendor shall use any action or language to insult another vendor, shopper, Market staff, or to intimidate a shopper into purchasing the product being sold. Any complaints regarding a vendor should be directed to the Market Director, who will investigate the complaint.

- 1st Offense/Complaint: Verbal Warning issued by the Market Director
- 2nd Offense/Complaint: Written Warning issued by the Market Director
- 3rd Offense/Complaint: Suspension of Market vendor privileges/cancellation of lease with vendor

It is the policy of the City of Urbana's Market at the Square to afford a marketplace that is free from harassment of a sexual or provocative nature. All vendors and staff shall project the necessary attitudes and behaviors to ensure that sexual harassment does not occur. The following acts are deemed to constitute sexual harassment:

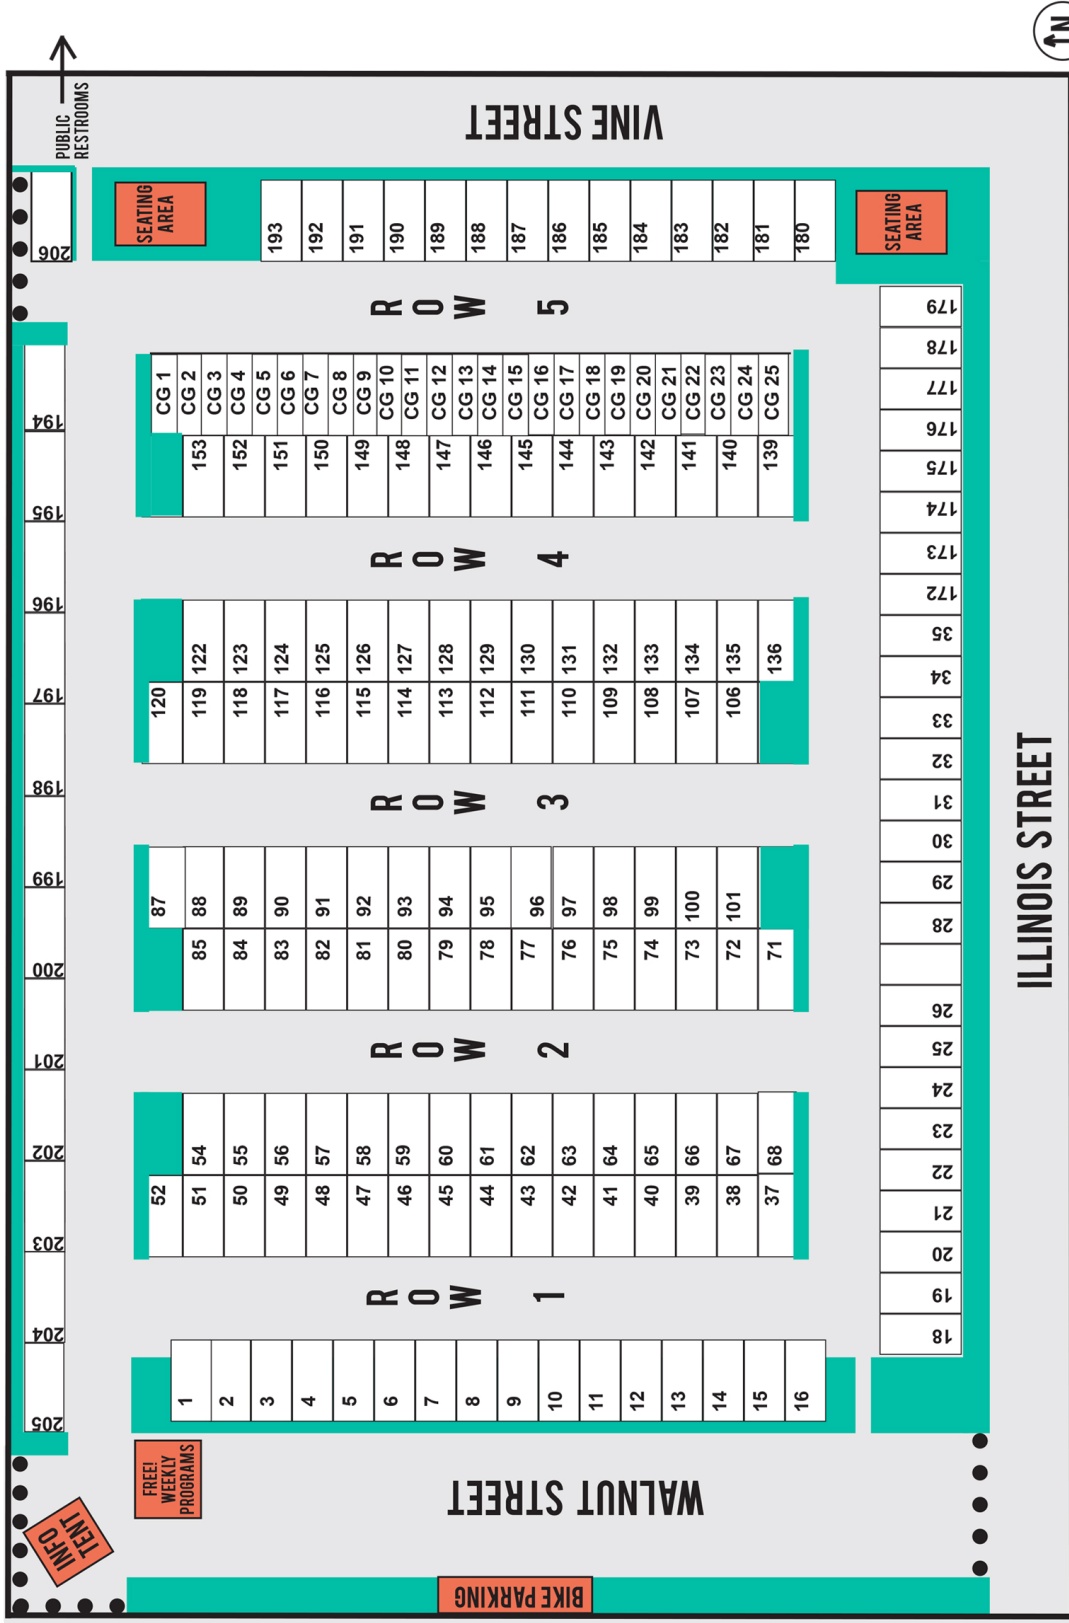

- Unwanted physical contact or conduct of any kind, including sexual flirtations, touches, advances or propositions
- Verbal harassment of a sexual nature such as lewd comments, sexual jokes or references, offensive personal references, and/or false and malicious statements
- Demeaning, insulting, intimidating or sexually suggestive comments to or about an individual
- The display in the Market or vendor stall of demeaning, insulting, intimidating, or sexually suggestive objects, pictures, or photographs
- Demeaning, insulting, intimidating, or sexually suggestive written, recorded, or electronically transmitted messages
- Any other conduct or words that are deemed to effectively create a hostile work or shopping environment for any employees or patrons.

If the Market Director believes that any violations of any criminal statute have occurred, the police shall be notified immediately. Upon a determination by the Market Director that a vendor has committed a violation of the sexual harassment policy articulated above, the Director shall have the authority to eject immediately said vendor from the Market for the remainder of the day, without refund for the day's vendor fees. If multiple incidents have occurred or in the event that the nature of the violation was either deemed egregious or one that could present a threat of safety to either other vendors or patrons of the Market, a suspension from the Market for the remainder of the season or a permanent ban, with no refunding of vendor fees, from the Market may be imposed by the Market Director after consultation with the Legal Division of the City of Urbana. After such a determination, letters of appeal may be submitted to the Market Director for review in consultation with the Legal Division.

memorandum

TO: Urbana's Market at the Square Advisory Board

FROM: Natalie Kenny Marquez, Director, Market at the Square

DATE: January 19, 2017

SUBJECT: Market at the Square Strategic Plan Update

Introduction

The Community Development Services Department completed a strategic planning process for the Market in 2011. This effort was in response to the Urbana City Council's goals to incorporate the Market as part of the City's environmental sustainability and economic development goals and in response to community interest in the future of the Market. A Steering Committee of stakeholders was recruited to help guide the planning process. As part of the effort during the data gathering stage, the City conducted extensive outreach, including several public meetings, a survey, and an open house. The Steering Committee studied the history of the Market as well as recent trends and issues. From this information, a mission statement for the Market was developed and a set of goals and implementation strategies were formulated. The Market at the Square Strategic Plan was approved in late 2011 and many of its recommendations have been implemented, including the formation of the Market at the Square Advisory Board.

Background

At the five-year mark, it is an appropriate time to undertake a review and update of the goals and implementation strategies as outlined in the 2011 Market at the Square Strategic Plan. A survey was implemented the first full week of January 2016 in order to gain feedback on the Market's current strategic goals and to determine if they are still relevant and whether there are new goals that should be pursued. The survey was directed to past and present Market at the Square vendors, community groups, and patrons. The survey closed on January 28, 2016 and over 300 responses were received. The survey results were shared with the Market at the Square Advisory Board and discussed at the February 18, 2016 special meeting.

At the March 17, 2016 Special Meeting, the Market at the Square Advisory Board was joined by a facilitator, Deborah Cavanaugh-Grant of New Leaf Consulting, to review the current Market at the Square mission statement and goals. The Market at the Square Advisory Board members affirmed the Market at the Square mission at this meeting, and proceeded to refine the 10 goals from the 2011 Strategic Plan into seven, new draft priorities.

At the March 17, 2016 Special Meeting, staff asked that the Market at the Square Advisory Board members review the seven new draft priorities. The priorities were then affirmed at the April 28, 2016 meeting and include the following:

1. Ensure that the provision of a variety of fresh, healthy, local, high-quality foods remains the cornerstone of the Market
2. Enhance the quality of life in Urbana and the surrounding community by providing community activities which foster social gathering and interaction.
3. Promote the Market as an educational forum for consumers to learn about the uses and benefits of quality, locally grown and/or prepared foods.
4. Enhance the Market's role in the local food system, vendor profitability, and in the local economy.
5. Consider the future growth of the Market and ensure that the Market remains consistent in its mission and remains as a financially self-sufficient program of the City of Urbana.
6. Encourage a dynamic, high quality growers Market.
7. Promote the inclusion of stakeholders in the decision-making process for the Market.

Over the past year, the Market at the Square Advisory Board drafted a series of initiatives to supplement the Market's seven priorities. Attached is a complete draft of the updated Strategic Plan for review and affirmation at the January 19th meeting.
