Update #4

The contractor has pulled off of Green Street since they have entered into a No Work Period which starts May 4 and ends May 21. All lanes of Green Street from Wright Street to Lincoln Avenue are open to traffic.

Enjoy this timeframe before the roadwork resumes on May 22, weather permitting, with Green Street under full road closure from Wright Street to Goodwin Avenue. The City of Urbana will issue a press release with more information about this road closure at a later date.

Thank you,

Craig E. Shonkwiler, P.E.
