**MEMORANDUM**

**TO: Mayor Diane Wolfe Marlin and Members of the City Council**  
**FROM: William R. Gray, Public Works Director**  
**Craig E. Shonkwiler, Assistant City Engineer**  
**DATE: July 6, 2017**  
**RE: Ordinances from Urbana Traffic Commission**

**Introduction**

Attached are ordinances and maps for approval from action taken by the Urbana Traffic Commission at its June 13, 2017, meeting.

**Background**

The first ordinance amends Schedule F of the Urbana Local Traffic Code with a temporary designation of Anderson Street as a one-way street for northbound traffic between Eliot Drive and Mumford Drive. The Urbana School District #116 has requested the temporary change while renovations occur at Yankee Ridge Elementary School. During the 2017-2018 school year, the school district is requesting that Anderson Street traffic be directed northbound in the morning between 7:30 a.m. and 8:30 a.m. and in the afternoon between 2:30 p.m. and 3:30 p.m., Monday through Friday on school days only. Busses will load and unload students from Mumford Drive adjacent to the school.

Following the renovations, parent and bus drop-offs will be moved onto school property to minimize conflict among vehicles, bicyclists and pedestrians.

The second ordinance amends Schedule J of the Urbana Local Traffic Code by restricting parking on the east side of Division Avenue between the eastern leg of the intersection of Thompson Street and Division Avenue and 90 feet south of the eastern leg of the intersection of Thompson Street and Division Avenue. The Engineering Division conducted a visibility sight study of the intersection after residents expressed concern over vehicles being parked close to the intersection. The visibility study revealed that the parked vehicles on Division Avenue obscured visibility for motorists crossing at Thompson Drive. To provide a safe view of the intersection for motorists traveling on Division Avenue and Thompson Drive, the Engineering Division recommended and the Urbana Traffic Commission approved a motion to prohibit parking near the intersection of Division Avenue and Thompson Drive.

The Traffic Commission recommended the establishment of a temporary one-way street designation and the installation of parking restrictions be sent to Council for consideration.

**Recommendation**

It is recommended that Council approve an Ordinance Amending Schedule F of Section 23-82 of the Urbana Local Traffic Code Designating One-Way Streets and Alleys (Anderson Street) and an Ordinance Amending Schedule J of Section 23-183 of the Urbana Local Traffic Code Prohibiting Parking at all Times on Certain Streets (Division Avenue).
