m e m o r a n d u m

TO: Mayor Diane Wolfe Marlin and City Council Members
FROM: William R. Gray, Public Works Director
Scott R. Tess, Environmental Sustainability Manager
DATE: November 27, 2017
SUBJECT: Amendment to Power Purchase Agreement

Background

On December 21, 2016 City Council approved a power purchase agreement with WCP Solar which provided for WCP Solar to design, build, operate, and decommission a solar array to be located on City property and powering the City of Urbana Arbor Shop. The City agreed to pay for all of the electricity the system generated and provided to the Arbor Shop on a fixed fee schedule.

The Agreement signed by the City and WCP Solar contains a technical error that has caused a tax implication not intended by either party. The original agreement provided for a legal description of the solar site as constituting the entirety of two parcels of land. Since the solar array is a commercial operation, the site of the solar array is no longer tax exempt. WCP Solar, the operator of the solar array, is contractually obligated to pay any taxes associated with the array. It was not either party's intent to utilize or make taxable the entirety of two parcels of land.

The Ordinance authorizing this Amendment to the Agreement establishes a new legal description that comports to the land actually occupied by the solar array and therefore will obligate WCP Solar to pay taxes on only that portion of the parcel they are utilizing.

Recommendation

Approval of the Ordinance is recommended.
