Special Parking Zone Permits

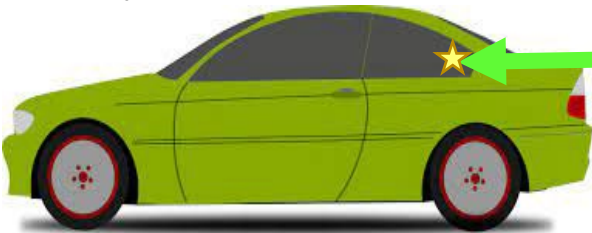

Restricted (including 3:00 AM to 3:00 PM & 7:00 AM to 3:00 PM Zones) Monday-Friday

Enclosed is your annual special parking permit. The permit must be affixed to the inside driver's side window according to the type of vehicle you have. See diagrams below for examples. Apply the permit to clean, dry glass using tape on each corner and make sure it is firmly attached.

This permit does not exempt the vehicle from other parking regulations including Urbana's 72-hour ordinance requiring that vehicles move every 72 hours. It also does not reserve a specific on-street parking place and is valid only for on-street parking in the **West Urbana Special Parking Zone**.

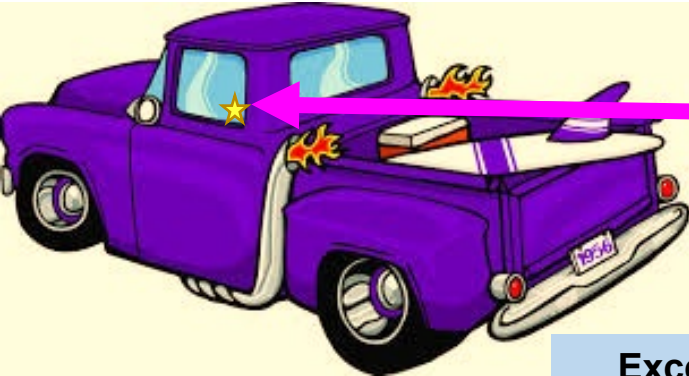

If you have any questions please contact the Finance Department at **217-384-2346, Option 1**.

Thank you.
