

# WELCOME TO URBANA

Our City has developed this Quick Reference Guide to assist you in locating telephone numbers that are sometimes difficult to find online or in the telephone book. This alphabetical listing, by subject, is not limited to City of Urbana offices; it includes frequently called County, State and Township facilities as well as many other helpful numbers.

*We hope you find this information helpful, and we welcome you to Urbana.*

Sincerely,  
**Diane Wolfe Marlin**  
Mayor
