THIS PERMIT IS SUBJECT TO THE CONDITIONS AND RESTRICTIONS PRINTED ON THE REVERSE SIDE OF THIS PERMIT AND ALL ATTACHED STANDARDS.

PERMIT CONDITIONS

1. All construction and safety practices shall be in compliance with the current edition of the Illinois Department of Transportation "The Standard Specifications for Road & Bridge Construction".
2. All O.S.H.A. and other Federal and State safety regulations shall be adhered to.
3. All details and/or notes attached to the submitted plans shall be incorporated into the approved plans.
4. All traffic control shall comply with the current edition of the "Manual on Uniform Traffic Control Devices for Streets & Highways".
5. All trench excavation work shall comply with the current edition of the "Standard Specifications for Sewer and Water Main Construction in the State of Illinois".
6. All work requires an inspection before concrete pours or excavation backfill. Please call the Right-of-Way Technician at 384-2342 to schedule an appointment 24 hours in advance.
7. The contractor shall notify the Right-of-Way Technician's office (384-2342) 24 hours prior to the start or restart of any construction.
8. The contractor shall not trim, cut or in any way disturb any City trees or shrubbery without the approval of the City Arborist (384-2342) or his authorized representative as stated in the Urbana Tree Ordinance No. 7677-24. Should the work site be located near any City-owned tree(s) the contractor shall contact the City Arborist 24 hours prior to the start of the construction.
9. No changes shall be made from the approved plans without the written or verbal approval of the Right-of-Way Technician.
10. Upon completion of the construction the contractor shall restore the work site to a condition equal to or better than the existing condition or at the direction of the Right-of-Way Technician, according to section 20-507 of the Code of Ordinances.
11. In order to avoid utility and street light cable conflict, the contractor shall be responsible for contacting J.U.L.I.E. for public utility locations a minimum of 48 hours (two working days) prior to excavation **1-800-892-0123**.
12. At any time that there is damage to a utility, the contractor shall notify the appropriate parties immediately and shall be liable for the cost of repair should the contractor be found at fault.
13. Any utility information, including sewer tap location, provided by the City is based on judgment and information currently available to the City Engineer or his agent. This information is made available to the general public upon request. The City of Urbana shall not be responsible for any discrepancies between information made available and actual field locations. Actual locations of utilities and taps may vary from the information on file. It shall be the sole responsibility of the permit holder or user of the information to determine the exact utility locations in the field. The City of Urbana does not guarantee the condition or the functional capacity of said utilities and/or sewer taps.
14. Inspections performed by the City do not remove the requirements for the work performed to comply with all local, state, and federal rules, ordinances, and standards.
15. An Erosion Control Permit is required on disturbed areas over 2,000 square-feet.
