Urbana Arts & Culture Program Monthly Progress Report

2nd Tuesday of the Month– August 11th, 2020

Prepared by Rachel Lauren Storm, M.Ed., Arts and Culture Coordinator

Introduction

The following Urbana Arts & Culture Program Monthly Progress Report describes activities of the Arts & Culture Program for the Urbana Arts & Culture Commission. The report includes information regarding projects that are in progress, recent requests and recommendations from the public, staff activities, and upcoming events.

COVID-19 Crisis Impact

- **Suspension of Programs/Events:** The Urbana Arts and Culture Program is continuing to suspend the majority of in-person events and programs in response to the COVID-19 crisis. Staff are following guidelines set forth in the Illinois Five-Phase Reopening Plan and consulting public health guidance. Some events are being held virtually and Urbana Arts and Culture staff are working to share relief program information, resources for local artists, and continue various initiatives.
- **Staffing Changes & Accommodations:** The Urbana Arts and Culture Program staff continue to work from home with minor visits to the office as needed. City of Urbana offices remain closed to the public. Essential services are still in operation. Arts & Culture Intern hired through the CARE4U Program grant and the sixteen new University of Illinois student interns hired through the new We CU program will close out their summer internships this month. We CU interns have been offered an opportunity to extend their work into the fall.

Updates on Current Projects

- **Urbana Arts Grants:** The Urbana Arts and Culture Program awarded \$88,000 to artists, arts organizations, and festival presenters for 38 creative projects that enrich the lives of Urbana residents and visitors in the 2020 cycle. Grantees continue to work with the Urbana Arts and Culture Coordinator to address planning issues arising from COVID-19. Many grant projects will be completed this month or before next commission meeting, including the following:
 - *Virtual* All Score Urbana
 - *Virtual* Sweetcorn Festival
 - *Virtual* Dance Music Therapy

- **The Great ARTdoors:** The Great ARTdoors, a new collaboration between the Spurlock Museum, the Urbana Park District, the Champaign Park District, the Urbana Arts and Culture Program, and 40 North, is awarding selected local artists stipends to create outdoor art installations in several Champaign and Urbana parks and community gardens. This program is guided by the belief that public art has the ability to visually and intellectually activate spaces by connecting people and sparking dialogue. This is a meaningful opportunity to create something experimental, interactive, and engaging. This project is also committed to supporting local artists, prioritizing underserved communities, and ensuring accessibility for all. The 10 selected artists will receive a \$1,000 stipend and the artwork will be featured in 1 of 10 designated locations. The committee met and selected 10 artists and a formal announcement will be made this month. The planning committee is seeking sponsorships for additional installations.

Designated Urbana locations include: Chief Shemauger Park (1001 E Kerr Ave, Victory Park (1000 E Green St), Weaver Park (2205 E Main St), South Ridge Park (3008 S Myra Ridge Dr.), and Lierman Neighborhood Community Garden (Washington & Lierman).

Another element of the Great ARTdoors is the outdoor community gallery. Community members are encouraged to be creative by transforming their windows, balconies, porches, yards, and neighborhoods into art that expresses their thoughts and feelings. This outdoor gallery inspires neighbors to further explore their neighborhoods while maintaining social distancing guidelines. Please share images of your creations on all social media platforms using hashtag #cuARTdoors

- **Art Inspired in Urbana Highlights:** The Urbana Arts and Culture Program and The Urbana Free Library are collaborating to produce weekly highlights of local artists on social media.
