Town Bills

- Town fund = \$79,513.89 in expenditures
- General Assistance Fund = \$61,723.46 in expenditures
- TOTAL: \$141,237.35

Assistance Statistics as of Oct 3, 2019

- General Assistance Participants: 118 (same as last month)
 - 31 are homeless
- Rental Assistance
 - 14 households served (same as last month)
 - 5 move-ins cases
 - 9 eviction prevention cases
 - NOTE: About ¼ of the households served have housing subsidies. In some cases, this is because the households are homeless moving into housing which require a full, non subsidized deposit. We are in conversation with the Housing Authority to explain why we have such a high percentage of eviction prevention cases in subsidized housing.

Highlights

- We are partnering with the UI Urban Planning faculty Prof. Ken Salo on a project to amplify the history and perspectives of homelessness in Champaign Urbana with an exhibit planned for the end of the semester.
- Our garden has had a bumper crop of tomatillos- please come by and pick! We are planning an October garden harvest festival - stay tuned for details!
