

Urbana Public Television is available streaming live online

- http://fl2.viastreaming.net/user/player.php?user_id=484 - Please make sure your browser settings have flash enabled.

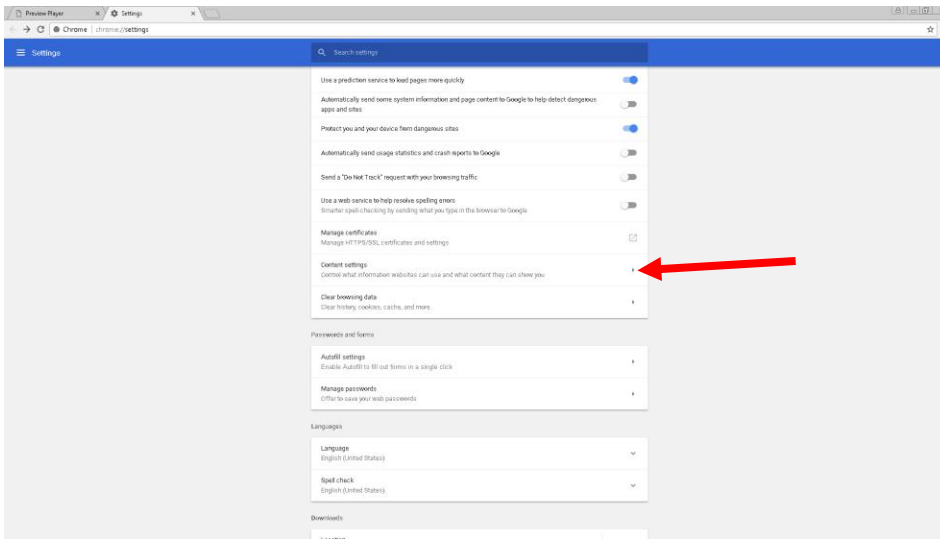

If you receive an error message when watching our live online stream in Google Chrome, first go to the Customize and Control Settings within Chrome and then the Settings tab:

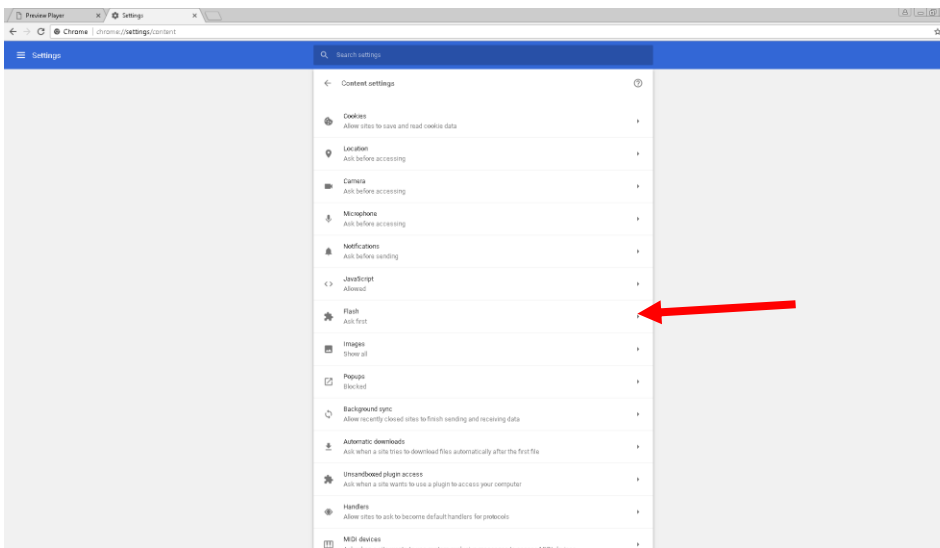

Next, choose Advaced:

Click on the Content settings tab:

Then click on the Flash tab:

Enter the url from UPTV's livestream - http://fl2.viastreaming.net/user/player.php?user_id=484 and click Add. You can now go to UPTV's livestream and it will play.
