Urbana's Market at the Square Quarterly Progress Report
March 17th, 2021

Prepared by Bryan Heaton, Market Coordinator and HeatherAnn Hicks Layman, Program Specialist, Urbana's Market at the Square

Introduction

The following Urbana's Market at the Square Quarterly Progress Report describes activities of Urbana's Market at the Square for the Urbana's Market Advisory Board. The report includes information regarding projects that are in progress, recent requests and recommendations from the public, staff activities, and upcoming events.

Annual Report Update

- The 2020 Annual Report has been updated. An additional slide (#7) has been added detailing the Markets 2020 fiscal performance.

SNAP Program Update

- The Land Connection and Urbana's Market at the Square have finalized arrangements for a universal SNAP system that will allow shoppers to swipe their EBT card at either market allowing those funds, plus any matching funds, to be used at either location. To attain parity with Champaign's market, the Market at the Square will reduce its weekly match from \$25 to \$20 and offer a third Saturday triple match incentive.

2021 COVID Guidelines for UMATS

- At the time of writing Market Staff are still waiting for updated COVID guidance from the state.
