FOR IMMEDIATE RELEASE

March, 11 2024

WORKING FIRE 119 WEST WATER STREET

March 11, 2024 at 2:27 p.m.

The Urbana Fire department responded to the above address for smoke coming from the roof as a result of workers causing a small fire that they thought was out. Three Engine's a Ladder and a Command officer were dispatched. Units arrived on the scene approx. 2 minutes later and found light smoke from the roof. Upon investigation it was found that there was fire in the walls and it had entered the structure. The alarm was upgraded to a Working fire. The building was cleared and crews opened walls and ceilings to extinguish the small fire.

Due to the quick actions damage was kept to a minimum.

Damage estimates are unavailable at this time, and the cause is being investigated.
