Specifications for One (1) AT-4 Dodge Caravan Custom Cage Conversion

These detailed specifications shall be construed as a minimum. Should the manufacturer's current published data or specifications exceed these, such standards shall be considered minimum and furnished. All integral parts mentioned in the scope of these specifications that are necessary to provide a complete working unit shall be furnished.

The City of Urbana reserves the right to reject any or all bids, and waive all technicalities deemed in the best interests of the City. The City is not necessarily bound to accept the lowest bid submitted. If the lowest bid is not the best bid of value received for money expended, in the City's opinion, the right is reserved to make awards in the best interest of the City, as determined solely by the judgment of the City of Urbana. In making awards, intangible factors such as bidder's reputation, past performance, access of service, part's availability, and City operator performance evaluation, will be weighed.

The intent of these specifications is to provide the City of Urbana with all necessary equipment and installation of items called out in bid specifications. This equipment shall be fully operational and ready for service when received. All additions, deletions, or modification of items as called out in bid specifications from the manufacturer's regular published specifications must be outlined and attached. Failure to provide all necessary documentation of modifications to manufacturer's published specifications at bid opening shall be construed as an unresponsive bid and such bid shall be rejected.

Bids shall only be considered from manufacturers actively performing animal transport vehicle conversions for a period no less than the past 5 years.

Bidder shall complete every space under Bidder's Proposal column by placing either an "X" to indicate that the item will be furnished exactly as specified, or give a description to indicate any deviations of item being bid from specifications. Any items appearing in the manufacturers regular published specifications are assumed to be included in the Bidder's Proposal. Any additions, deletions, or variations from these published specifications must be outlined and attached.

The City of Urbana reserved the right to make any desired change to the specifications after same has been put under contract, with the change and price of said change to be added or deducted from the bid contract price. All changes are to be agreed upon in writing between the City of Urbana and the successful bidder before such changes become effective.

GENERAL SPECIFICATIONS

AT-4 Dodge Caravan Custom Conversion Animal Transport Vehicle Conversion

- 1) Unit shall have a solid sealed bulkhead behind cab seats to seal off animal section. 1) _____
- 2) Drivers side of bulkhead to be carpeted for appearance and to reduce noise transmission. 2) _____
