## COMMENTS

Board of Trustees of the Fire Department Pension Fund  
Of the City of Urbana, Illinois

### STATUTORY RESERVE

The law which regulates the Firemen's Pension Fund does not specify a required fund balance. There is a small Statutory Reserve which is actually the reserve which was on hand on a certain date and is not an actuarially determined reserve. If the Firemen's Pension Fund had the same reserve requirements as the Police Pension Fund, the recommended balance at April 30, 1969 would be \$400,000 for 31 firemen and 9 pensioners. The fund balance at April 30, 1969 was \$129,801.40. Applying the Police Pension target date for attaining the required reserve balance of 1999, the fund balance would have to increase about \$9,000 per year over the next 30 years.

### TAX LEVY

The 1967 tax levy, received in 1968, was \$25,000. The 1968 levy, which will be collected during the year ending April 30, 1970, was also set at \$25,000.

### GENERAL

We appreciate the helpful cooperation of the officers of the Firemen's Pension Fund which made our work more efficient.
