Subject: Greetings / Subcommittee Meeting Reminder & Sharing Additional Materials To Consider by IDOT Task Force
Date: Thursday, August 21, 2014 3:28:54 PM

Dear IDOT Task Force Colleagues!

Greetings from Nicole Anderson Cobb. I hope this message reaches you well in the midst of continued good summers.

Several weeks ago I reached out to arrange a meeting for those interested in working on the Police Procedure & Public Engagement Subcommittee. ***I have not heard from anyone thus far, but hope that we can still schedule such a subcommittee meeting.***

However, ***given the national attention focused on traffic stops and police procedure,*** I am also writing to share with you some links to recent reporting on these issues that might also inform our thinking about these matters as we conduct our work:

August 13, 2014: Chicago Tribune: ACLU Reports Consensual Police Search Disparities:

August 13, 2014: Racial Disparities in Consent Searches & Dog Sniff Searches:

August 12, 2014: Rachel Maddow discussed broader implications of traffic stops on local communities:

Again, I hope this links are useful and I look forward to meeting to discuss these issues in our upcoming meetings
