

**CITY OF URBANA, ILLINOIS
FINANCE DEPARTMENT**

MEMORANDUM

TO: Mayor Prussing and City Council Members
FROM: Elizabeth Hannan, Finance Director *EH*
DATE: November 13, 2014
SUBJECT: **Prevailing Wage Ordinance**

Introduction: This Council Bill would establish prevailing wage rates for City of Urbana public works projects, based on the June 2014 Illinois Department of Labor prevailing wage rates for Champaign County.

Background: The Illinois statutes (820 ILCS 130/1 et seq.) require all public bodies every year during the month of June to establish prevailing wage rates for laborers, mechanics, and other workers under contract for public works projects. The City did not adopt a prevailing wage Ordinance in June of 2014.

This schedule is provided to all contractors on City of Urbana public works projects and these contractors are required to pay at least this wage to employees utilized in public works projects.

Recommendation: Adopt this Ordinance establishing the prevailing wage for City of Urbana public works projects.

ORDINANCE NO. 2014-11-107

AN ORDINANCE ASCERTAINING PREVAILING WAGES

(2013-2014)

WHEREAS, THE State of Illinois has enacted “an ACT regulating wages of laborers, mechanics and other workers employed in any public works by the state, county, city or any public body or political subdivision or by anyone under contract for public works,” approved June 26, 1941, as amended, being Chapter 820 ILCS 130/1-12, Illinois Compiled Statutes; and

WHEREAS, the aforesaid ACT requires that the City of Urbana investigate and ascertain the prevailing rate of wages as defined in said Act for laborers, mechanics and other workers in the locality of said City of Urbana employed in performing construction of public works, for said City of Urbana; and

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF URBANA, ILLINOIS, as follows:

The definition of any terms appearing in this Ordinance which are also used in the aforesaid Act shall be the same as in said Act.

Section 2. Nothing herein shall be construed to apply said general prevailing rate of wages as herein ascertained to any work or employment except public works of the City of Urbana, to the extent required by the aforesaid Act.

Section 3. The City Clerk shall publicly post or keep available for inspection by any interested party in the main office of this City of Urbana, this determination of such prevailing rate of wage.

Section 4. The City clerk shall mail a copy of this determination to any employer, and to any association of employers and to any person or association of employees who have filed, or file their names and addresses, requesting copies of any determination stating the particular rates and the particular class of workers whose wages will be affected by such rates.

Section 5. The city Clerk shall promptly file a certified copy of this Ordinance with both the Secretary of State Index Division and the Department of Labor of the State of Illinois.

Section 6. The City Clerk shall cause a notice to be published in a newspaper of general circulation within the area that the determination of prevailing wages has been made. Such publication shall constitute notice that this is the determination of the City of Urbana and is effective.

Explanations

CHAMPAIGN COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

Oil and chip resealing (O&C) means the application of road oils and liquid asphalt to coat an existing road surface, followed by application of aggregate chips or gravel to coated surface, and subsequent rolling of material to seal the surface.
