**TO:** Mayor Laurel L. Prussing and Members of the City Council  
**FROM:** William R. Gray, Public Works Director  
Gale L. Jamison, Assistant City Engineer  
Bradley M. Bennett, Senior Civil Engineer  
**DATE:** February 6, 2013  
**RE:** Safe Routes to School Bike Facilities Project  
Local Agency Agreement for Construction Phase Activities

### Action Requested

Approval authorizing the mayor and clerk to sign the Local Agency Agreements for the construction phase activities related to the Safe Routes to School Grant Project.

### Background and Facts

The City of Urbana received a \$199,000 Safe Routes to School (SRTS) Grant to expand its bicycle facilities within 1.5 miles of Urbana Middle School to facilitate more students bicycling to school. The proposed bike facilities will also benefit five of Urbana's six elementary schools – Martin Luther King, Jr., Prairie, Thomas Paine, Wiley, and Yankee Ridge. The proposed bicycle facilities include 2.2 miles of bike lanes, 0.5 miles of shared bike/parking lanes, and 5.6 miles of bike routes. The project will also include installation of new bike racks – 112 spaces – at all of the schools along the proposed bike facilities. All of the proposed bike facilities were recommended in the Urbana Bicycle Master Plan developed by the Champaign County Regional Planning Commission (CCRPC) for the City of Urbana in 2008.

The proposed bike facilities are anticipated to be constructed in the summer of 2013. A graphic of the proposed bike facilities is shown in Attachment A.

### Financial Impact

The cost of the construction phase activities for the SRTS Bike Facilities Project are \$86,630 for the pavement marking work and \$85,170 for the day labor (signage and bike racks) work. The total of the construction phase work is \$171,700 of which all those costs are covered by the grant.

## **Recommendations**

It is recommended that the resolution authorizing the mayor and clerk to sign the Local Agency Agreement for the SRTS Bike Facilities Project be approved.
