4. The balance in the Special Tax Allocation Fund at the end of FY 2010-11 (June 30, 2011) for Urbana TIF Two was \$3,309,587. This balance has been carried forward into FY 2011-12 for completion of contractual obligations for infrastructure, streetscape projects, and other commitments to fund projects in TIF 2 and to pay future debt service payments. No part of this fund is considered surplus.

### G. Statement of Activities Undertaken in the Redevelopment Project Area

See Attachment D and F.

### H. Obligations Issued by the Municipality

All of the following debt obligations are payable from and secured by the incremental taxes and other revenues of the TIF Two.

In March 1990, the City of Urbana issued \$3,890,000 in bonds for the purpose of constructing parking and infrastructure improvements within the Tax Increment

Financing District Two Redevelopment Project Area. On June 1, 1994, the City issued \$1,975,000 in bonds for the purpose of advance refunding the 90 bonds, in order to again lower interest costs. On April 1, 2005, the City issued bonds and paid off the balance of the 1994 Bonds in order to again lower interest costs. These bonds were issued after the City extended the terms of TIF Two to 12/31/2013 in accordance with the Tax Increment Allocation Redevelopment Act. Annual scheduled debt service payments on the 05 Bonds range from \$22,000 to \$28,000 with the last payment due 3/01/2013.

On July 27, 1999, the City of Urbana agreed to pay Schnuck Markets the amount of \$1,300,000 together with interest thereon under the terms of a Redevelopment Agreement between Schnuck Markets and the City of Urbana for a Redevelopment Project in the Tax Increment Financing District Two Redevelopment Project Area. On July 1, 2007, the City paid off this agreement early to save future financing costs. No future payments are owed.
